Holiday Safety Presentation at St. Mary's Church This Monday

PALMDALE – The City of Palmdale will hold a free holiday safety presentation this Monday, Dec. 1 at 7 pm at St. Mary's Church, 1600 East Avenue R-4, in the main hall. The presentation is free and open to the public. Spanish translation will be available.

"The holidays are a wonderful time for most, but a criminal act can put a damper on the fun," said Palmdale Crime Prevention Officer Kery German. "It is important to know how to protect yourself, and this presentation will give you helpful hints so you are not a 'soft target' for holiday criminals," she added.

Geared toward adults, the seminar will teach basic safety tips on various holiday situations such as shopping, home security, protecting your personal information while shopping, holiday traveling and more.

For more information on the presentation contact Kery German at 661/267-5170.
