## LETTER FROM THE CITY MANAGER

that, the City has put together a host of activities, classes and programs that will keep you entertained, active and engaged over the next few months.

Creating strong retail and business opportunities, as well as providing outstanding programs, is not easy in these economic times. However, through a commitment to fiscal strength through sustainability in our operations, we are enduring these tough financial times and providing our residents with an exceptional quality of life.

To give you a good idea of what we are doing and why, I encourage you to watch the recent "State of the City" address on our Web site, [www.cityofpalmdale.org](http://www.cityofpalmdale.org), or on the City's television station, Channel 27 on Time Warner Cable. It is a good overview of where we have been and where we are going.

Also included in this issue is a resident survey on the inside back cover. I encourage you to fill it out and return it to us as soon as possible. Or, you may fill it out online at [www.cityofpalmdale.org](http://www.cityofpalmdale.org). Your input will help us incorporate your wishes into our future activities and help us continue to make Palmdale "a place to call home."
