LETTER FROM THE CITY MANAGER

David Childs, City Manager

Dear Resident,

As winter moves to spring and spring to summer, we are reminded that change is inevitable and continuous.

Changes are happening in Palmdale as well, and we are pleased to present this edition of Palmdale: News, Activities & Entertainment which is bursting with great ideas for you to make this one of your best summers ever. Whether you dive into our aquatic programs, relax in your favorite lawn chair at our concerts or at Thursday Night on the Square, attend a show or movie at the Palmdale Playhouse, spend time in our recreation centers and

parcs, or check out all the shopping and dining opportunities that continue to blossom in our City, there is definitely something for everyone. New stores and restaurants are opening every day!

Speaking of shopping and dining, we're attending the upcoming International Shopping Center Association's convention. It's one of the largest gatherings of retail stores and restaurants in the nation. It is here where we talk to dozens upon dozens of companies and tell them all about Palmdale and the many opportunities our community offers them.

If there are some businesses, retail stores or restaurants that you'd like us to reach out to, please email us at communications@cityofpalmdale.org and let us know what you'd like to see here in Palmdale.

We're also going to be engaging our residents in some meaningful dialogue about relevant topics that affect our community in a series of Village Square meetings. Read more about it on page 9 and make plans to join us.

And finally, change is coming for myself and my family as well. The clock keeps ticking and I find myself in my 43rd year as a public servant. It is with very mixed emotions that this will be my last Letter from the City Manager. After a lot of thought, my wife and I have decided that it is the time for us to move into retirement. For me, it is a time where great hope and great sadness have converged — great sadness as I leave a wonderful and thriving City organization, and great hope as I look forward to the golden years of retirement.

Palmdale is an amazing place. It is made up of wonderful residents and a group of men and women who work hard for you at City Hall and throughout our community. Palmdale indeed has a very bright future ahead. It has been an honor to serve as your City Manager over the past three years, and there will always be a piece of my heart left behind here in this community and in this organization. Best wishes to all of you.

Sincerely,

DAVE CHILDS

Dave Childs
City Manager

Rancho Vista Gateway Stores Now Open

The long-awaited and much anticipated opening of the shops at Rancho Vista Gateway is here with the grand openings of The Habit, Pizza Rev, Yogurtland, California Bank & Trust and Dunn Edwards. Krispy Kreme, Aldi's and Chick-fil-A are scheduled to follow. Rancho Vista Gateway is located at 730 W. Rancho Vista Blvd.

AV MALL WELCOMES CARTER'S, OSHKOSH AND WINDSOR

Fresh off a stellar holiday season, the Antelope Valley Mall is keeping the momentum going in 2015 with the addition of three new retailers: Carters, OshKosh B'gosh and Windsor.

Together, OshKosh B'gosh and Carter's are two of the oldest, largest and most-recognized brands of baby and children's apparel in the world. Windsor first opened in 1937 with the mission to make beauty accessible to all women, not just celebrities.

Haggen, Walmart Neighborhood Market Open in Palmdale

Palmdale residents have two new choices for grocery shopping as Haggen and Walmart Neighborhood Market both held grand openings recently.

Haggen, a Pacific Northwest-based grocer known for carrying a great array of organic produce and high-quality meats and seafood, acquired the former Albertson's on Ave. N and 50th West. All the Albertson's employees stayed on with Haggen.

Walmart Neighborhood Market, located in the Rancho Vista Town Center on the corner of Rancho Vista Blvd. and Town Center Drive, features a wide variety of products and services, including organic produce, meats and dairy products, frozen foods, dry goods and staples, cleaning products, pet supplies, a pharmacy, and health and beauty products.

A Starbucks also recently opened in the center.

Craft Breweries to Open in Palmdale

The craft beer movement has spawned hundreds of local breweries around the nation, and two of the newest will be opening soon in Palmdale. **Transplants Brewing Company**, coming to 40242 La Quinta Lane, Unit 101, focuses on hoppy West Coast ales and creative specialties. **Info:** www.transplantsbrewing.com.

Lucky Luke Brewing Company, 610 W. Ave. O, Suite 104, is devoted to the art of quality craft beer and the great people brought together by it.

Info: www.facebook.com/LuckyLukeBrewing. Both breweries are planning mid- to late 2015 openings.

Precision Labs Honored as First Net Zero Business

Congratulations to Precision Labs in Palmdale for being named the California Air Resources Board's Cool California Small Business of the Year! Precision is also the first "Net Zero" commercial building in the Antelope Valley.

Fatburger, Leslie's Pool Supplies and BerryStar Open in East Palmdale; Starbucks Coming

The growth of new retail stores on Palmdale's east side continues with the addition of Fatburger as part of the Buffalo's Café at 4611 E. Ave S. In addition to serving delicious Fatburgers, Buffalo's offers chicken wings and Southwestern-accented American fare plus lunch specials.

BerryStar Yogurt opened at 4635 E. Ave. S., and Leslie's Pool Supplies opened at 37926 47th St. East. A drive-thru Starbucks near the 47th St. Pavillon (Super Target Center) is coming soon.

Several new businesses have also expressed interest in the area. Follow us on Facebook at City of Palmdale-Government for the latest news and updates.

Illegal Dumping: One Person's Trash, Is a Community's Problem

First of a three part series on the issue of illegal dumping

Over the past year, Palmdale residents have come together to address the problem of illegal dumping in our desert. Turning out by the hundreds, they showed by their actions how much they disliked seeing illegally dumped items in our City. What many of them did not know was how much staff time and financial resources are being used in the day-to-day maintenance operations just to pick up illegally dumped household, hazardous, electronic, and contractor waste. This is money that could be used for other programs such as concerts, classes, events and so on.

Last year, Waste Management hauled away more than 168 tons of illegally dumped trash from the City's Maintenance Yard. This means that the City's Maintenance team picked up, on average, over 1,000 pounds of illegally dumped items per day, 28,000 lbs. per month, and a staggering 336,000 lbs. for the 12-month period. This is the average annual amount of trash generated by 210 people (according to the US EPA, the average person generates just under 4.4 lbs. of garbage each day).

The City also picked up over 10½ tons, or 21,200 lbs., of electronic items dumped in fields, on our sidewalks and in our streets — the approximate weight of four large trucks! These items are considered hazardous waste in the State of California and can easily be taken to the Antelope Valley Environmental Collection Center (1200 W. City Ranch Road) for free recycling or disposal on the first and third Saturdays of each month from 9 am to 3 pm.

Illegal dumping hurts all our residents. By spending tax dollars on staff and resources to pick up illegally dumped trash in our beautiful desert, on our sidewalks, or in our streets, other potential programs and or services are adversely affected. Help spread the word to everyone you know — put trash where it belongs!

For more information on trash service and disposal options, contact Waste Management at 661/947-7197. To report illegal dumping, call the Palmdale Sheriff's Office non-emergency line at 661/272-2400. To report illegal dumping locations, please call 888-8DUMPING.

Next issue, part two: Code Enforcement's role in addressing illegal dumping.

City Installs Electric Vehicle Charging Stations

The City of Palmdale has installed two electric vehicle charging stations for the public's use at two City facilities.

The charging stations are located at Palmdale City Hall, on the south side of the Development Services building, 38250 Sierra Highway, and at Palmdale Oasis Park Recreation Center, 3850 Ave. S. They are available for use 24/7.

"As part of our commitment to support green energy efforts and to make these resources more readily available for our residents, we have installed these state-of-the-art charging stations at easily accessible locations," said Palmdale's Public Works Director Mike Mischel.

Both locations are fully ADA compliant and were paid for through an Antelope Valley Air Quality Management grant and transportation-related funding.

"When we had our solar shade structures installed, we ensured that the infrastructure was also put into place to provide electric vehicle charging stations," said Palmdale's Senior Administrative Analyst Benjamin Lucha. "We are excited to provide this service and hope the units will give EV users a greater range to utilize their vehicles."

For more information about the City's electric vehicle charging stations, please contact Benjamin Lucha at 661/267-5300 or blucha@cityofpalmdale.org.

EPA Recognizes City of Palmdale Among Nation's Leading Green Power Users

The U.S. Environmental Protection Agency (EPA) recently recognized Palmdale for its participation in the Agency's Green Power Partnership.

In addition to using nearly 2 million kilowatt-hours (kWh) of green power annually — enough green power to meet 15 percent of the City's electricity use — the City is also generating green power from its recently completed on-site renewable energy systems at Palmdale's Civic Center, DryTown Water Park and Marie Kerr Park, which utilize solar resources.

"The EPA is excited to welcome the City of Palmdale as a Green Power Partner and applauds the City's purchase of on-site green power and its support of the voluntary renewable energy market," said Melissa Klein, communications director of EPA's Green Power Partnership. "Palmdale is helping to reduce harmful air pollution and demonstrating that using green power is smart for the environment."

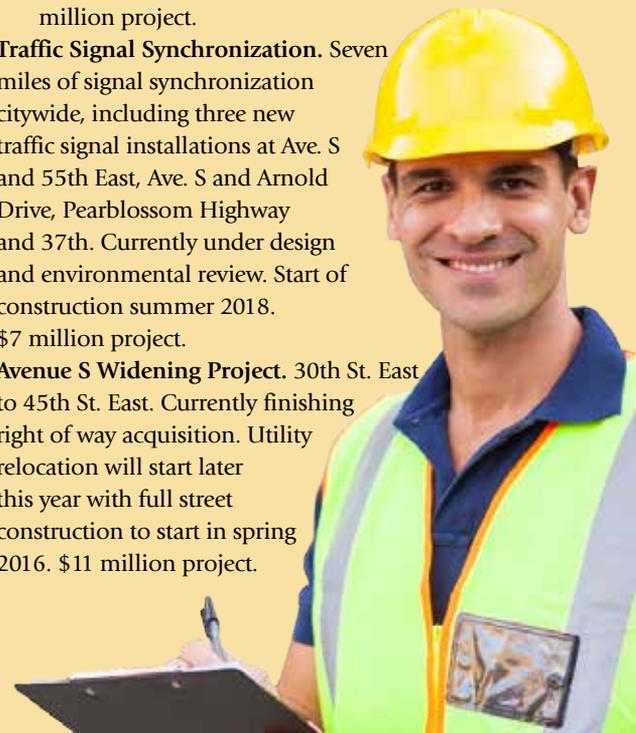

Green power is electricity that is generated from environmentally preferable renewable resources, such as wind, solar, geothermal, eligible biogas, biomass, and low-impact hydro. Using green power helps accelerate the development of new renewable energy capacity nationwide and helps reduce greenhouse gas emissions from the power sector.

According to the U.S. EPA, the City of Palmdale's green power use of nearly 2 million kWh is equivalent to avoiding carbon dioxide (CO₂) emissions of more than 200 passenger vehicles per year, or CO₂ emissions from the electricity use of more than 100 average American homes annually.

Public Works: Working for YOU!

The City's public works crews and contractors have a full plate of projects, all designed to make improvements in our infrastructure, increase safety and make our daily lives better. Funded almost entirely by Measure R and State Metro grant funds, here's an overview of some of what's happening:

- **Avenue S Gap Road.** Road connecting Ave. S in Anaverde to Elizabeth Lake Rd. completed in May. \$10 million project.
- **Palmdale Boulevard Improvements** at 5th St. East to 10th St. East, including RR crossing improvements. Currently under design and environmental review. Project to start construction spring 2017. \$10 million project.
- **AV Mall Beautification.** Median landscape replacement along Avenue P and 10th Street West. Summer 2015, \$200,000 project.
- **McAdam Pool Renovations.** Pool and bathhouse renovations to start fall 2015. \$1 million project.
- **14 Freeway Onramp/Offramp & Street Improvements:** At Palmdale Boulevard. Currently under design and environmental review. Project to start fall 2018. \$25 million project.
 - At 10th St. West from Avenue P to Avenue P-8. Currently under design and environmental review. Project to start fall 2018. \$25 million project.
 - At Ave. P, including additional southbound lane of 14 Freeway from Ave. P to Palmdale Boulevard. Currently under design and environmental review. Start of construction fall 2017. \$15 million project.
- **Traffic Signal Synchronization.** Seven miles of signal synchronization citywide, including three new traffic signal installations at Ave. S and 55th East, Ave. S and Arnold Drive, Pearblossom Highway and 37th. Currently under design and environmental review. Start of construction summer 2018. \$7 million project.
- **Avenue S Widening Project.** 30th St. East to 45th St. East. Currently finishing right of way acquisition. Utility relocation will start later this year with full street construction to start in spring 2016. \$11 million project.

CITIES OF SERVICE
CITIESOFSERVICE.ORG

Are You Engaged?

Not in the traditional sense, with a ring and a date, but in the community sense. By definition, community engagement refers to the process by which organizations and individuals build ongoing, permanent relationships for the purpose of applying a collective vision for the benefit of a community.

The City of Palmdale is indeed engaged. In 2014, over 250 residents volunteered their time in City programs, including sports and equestrian programs, Legacy Commons, Palmdale Playhouse, South Antelope Valley Emergency Services (SAVES), Neighborhood Services, Adopt-a-Wall, Palmdale City Library, Joe Davies Heritage Airpark and various City offices, contributing 28,859 hours of service. Independent Sector values this time at \$26.24 per hour, which adds up to \$760,146.06 worth of service to the City alone!

Additionally, 1,169 residents provided 4,893 hours of service at community service days, such as Division and Conquer, Desert Reveal, and Beds, Paths & Beyond, which is an additional \$128,881.62! Throughout our community countless individuals volunteer their time at local schools, churches, charitable organizations and service organizations. They are engaged, and most importantly, making a difference in our community.

Engagement is not just volunteering of time, it means sharing your skills, ideas and passion with the community. Do you attend City Council meetings? You're engaged! Have you attended the Partners Academy? You're engaged! Do you participate in your school site council or church committee? Congratulations, you're engaged!

Every April we take time to say 'thank you' to those individuals and groups who generously give of their time by celebrating National Volunteer Appreciation Month. This year, we took it to the next level and joined countless mayors and cities nationwide in becoming a City of Service, declaring our vision of service as a vital part of community health.

Looking for a way to get engaged? Or more engaged? Look for the logo above on community materials or visit www.cityofpalmdale.org for announcements of volunteer opportunities, service days, community presentations and events.

Palmdale Wins Village Square Grant Community Input Sought

The City of Palmdale has been named one of two cities in California to receive a grant through Pepperdine University's Davenport Institute which will be used to engage the community in meaningful dialogue about relevant topics.

Along with Palo Alto, Palmdale will receive services and expenses valued at \$15,000 through the Village Square's "Dinner at the Square" program, which is designed to improve the way residents in diverse communities engage with one another. It is a capacity-building grant to improve local civic dialogue and support an ongoing constructive relationship between government and citizens around various issues for years to come.

"We chose Palmdale for this grant because we think their ideas are highly deserving of their citizens' valuable time," said Liz Joyner, executive director of the Village Square.

A series of Village Square meetings will be held throughout 2015. Details and information will be available at www.cityofpalmdale.org, or on the City's Facebook page, City of Palmdale-Government.

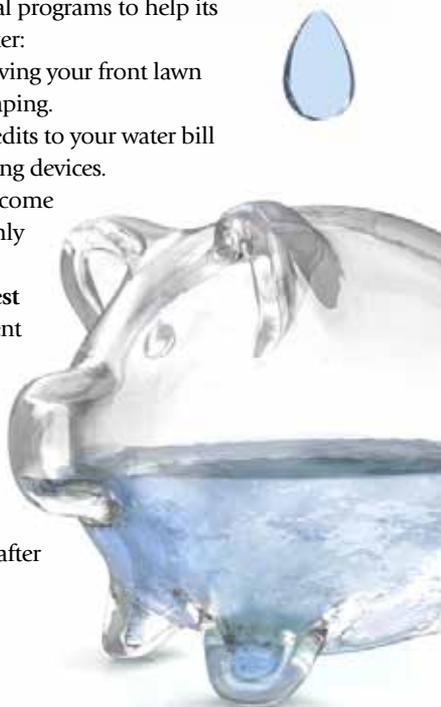

PWD Customer Assistance Programs

The Palmdale Water District offers several programs to help its customers save money and conserve water:

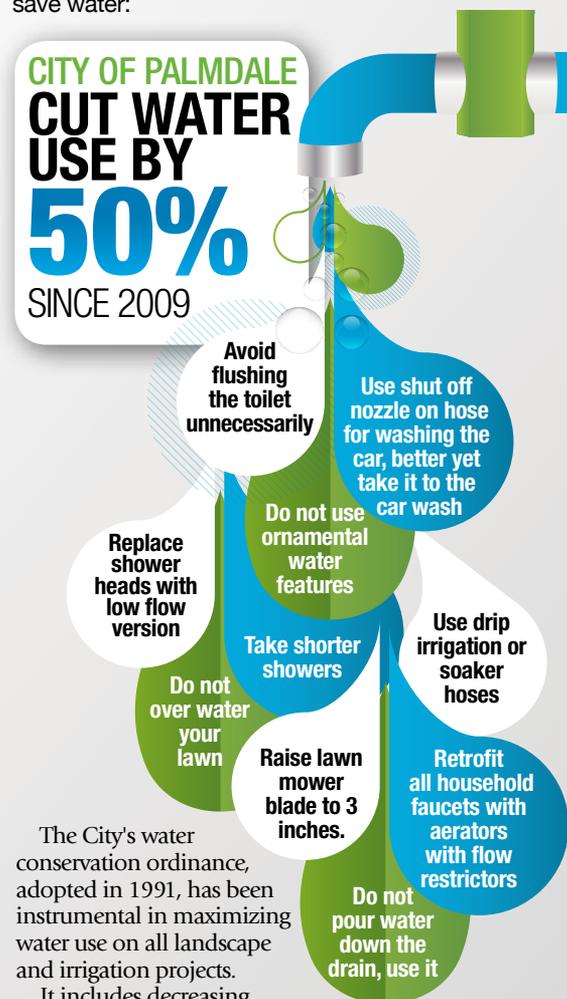

- **Cash for Grass** – Get money for removing your front lawn and replacing with desertscape landscaping.
- **Water Conservation Rebates** – Get credits to your water bill for installing high efficiency water-saving devices.
- **Rate Assistance Program** – For low-income seniors to receive up to 50% off monthly service charge.
- **Water Allocation Modification Request** – Apply to increase your water allotment based on how many residents live at your home and medical conditions that require additional water.
- **Leak Adjustment Application** – If you find a leak and your water bill was exceptionally high, you may qualify for a courtesy leak adjustment after the leak is fixed.

Help Conserve Water

The State of California is suffering its worst drought in decades. Here's how you can help save water:

The City's water conservation ordinance, adopted in 1991, has been instrumental in maximizing water use on all landscape and irrigation projects.

It includes decreasing watering days and times, conducting regular water audits, increasing turf mowing heights, xeriscaping, use of technologies such as the Maxicom water management system, installation of synthetic grass, recycling pool water, installation of water saving devices, point source irrigation, installing water efficient sprinkler heads, aerating turf for maximum water penetration and mulching around plants and shrubs.

Have a Safe and Sane 4th of July

USE OF FIREWORKS IN PALMDALE

Only "Safe and Sane" fireworks are allowed in Palmdale city limits except for the designated "No Fireworks Zone" where even "Safe and Sane" are illegal. The "No Fireworks Zone" includes the Anaverde housing development and anywhere south of the California Aqueduct, as well as neighborhoods located on the south side of Rancho Vista Boulevard along the following lines: Beginning at the intersection of Rancho Vista Boulevard and 30th Street West, areas south and west of Rancho Vista Boulevard, north to Avenue N-8; south and west of Avenue N-8 from Rancho Vista Boulevard to 55th Street West; west of 55th Street West; and south from 55th Street West to 60th Street West (Godde Hill Road).

If you are unsure whether you live in the "No Fireworks Zone," you may visit www.cityofpalmdale.org, click on the Fireworks map link, and enter your address. You may also contact the City's Code Enforcement office at 267-5234 or the Neighborhood Services Department at 267-5181 and staff will assist you.

Illegal fireworks are not allowed anywhere in Palmdale or the Antelope Valley. These are the type that explode or shoot up in the air. They are dangerous and cause a real threat to life and property.

There are hefty fines for using illegal fireworks or using fireworks in "No Fireworks Zones." These fines begin at \$2,500 for a first offense, \$5,000 for a second offense and \$10,000 for a third offense.

To report any illegal fireworks anonymously, please call the Sheriff's Department at 661/272-2400.

Water Safety Tips

Water safety is something everyone should be concerned about all year long. With summer now here, it means more time will be spent around the water — DryTown Water Park, City pools, the beach and pools at home. It takes only inches of water for a small child to drown, so taking extra safety steps at home and around pools, spas and all bodies of water can prevent drowning incidents.

Rule #1: Never leave a child unattended around a pool, spa, bathtub or any body of water.

AT POOLS, SPAS AND OTHER RECREATIONAL WATERS:

- Teach children basic water safety skills.
- Learn how to swim and ensure your children know how to swim as well.
- Avoid entrapment by keeping children away from pool drains, pipes and other openings.
- Have a phone close by at all times when visiting a pool or spa.
- If a child is missing, look for them in the pool or spa first, including neighbors' pools or spas.
- Share safety instructions with family, friends, babysitters and neighbors.

IF YOU HAVE A POOL:

- Install a 4-foot fence around the perimeter of the pool and spa, including portable pools.
- Use self-closing and self-latching gates; ask neighbors to do the same if they have pools or spas.
- If your house serves as the fourth side of a fence around a pool, install and use a door or pool alarm.
- Maintain pool and spa covers in good working order.
- Ensure any pool or spa you use has compliant drain covers; ask if you do not know.
- Have life-saving equipment such as life rings, floats or a reaching pole available and easily accessible.

AT HOME:

- Always keep a young child within arm's reach in a bathtub. If you must leave, take the child with you.
- Don't leave a baby or young child in a bathtub under the care of another young child.
- Never leave a bucket or basin containing even a small amount of liquid unattended. Always empty and store buckets where young children cannot reach them.
- Consider placing locks on toilet seat covers in case a young child wanders into the bathroom.

For information on these programs, please call 661/267-5170.

Be Prepared for Mosquito Season

The warm weather signals the return of mosquito season in Palmdale. The Antelope Valley Mosquito & Vector Control District (AVMVCD) is reminding everyone to do their part, get rid of standing water, and protect themselves from mosquito bites.

Keep in mind the three Ds of mosquito control:

Dump / Drain – all standing water that's there longer than a week

Dusk / Dawn – are peak mosquito activity times

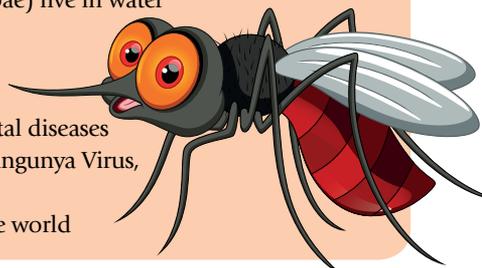

Defend / DEET – use insect repellents, wear long sleeves and pants when outdoors at dusk and dawn

West Nile Virus is one of several diseases transmitted by the bite of an infected mosquito. Although most people that are infected do not show any symptoms, West Nile Virus is a potentially debilitating disease. Even 'mild' cases of West Nile Fever can cause patients enormous pain and discomfort for months.

For more information, contact AVMVCD at 661/942-2917, online at www.avmosquito.org, on Facebook at www.facebook.com/avmosquito, or on Twitter @AVMosquito.

Mosquito Facts:

- Develop from egg to adult in 5-7 days
- Immature stages (larvae & pupae) live in water
- Only need a capful of water
- Adults can live up to 6 weeks
- Only female mosquitoes bite
- Transmit several potentially fatal diseases (Malaria, Dengue Fever, Chikungunya Virus, West Nile Virus)
- Is the deadliest "animal" in the world

The Color of Happy

Art by Janet K. Briggs

Thursday, May 28 through Sunday, July 26
Reception: Thursday, May 28, 6:30-8:30 pm

Janet K. Briggs is a self-taught contemporary artist exploring the world of mixed media using colorful acrylics layered over collage. She has only recently begun to show her work and is off to a successful start, placing 1st, 2nd and 3rd in 2014 Antelope Valley Fair categories, and had local showings at ARTown Fusion and Encore. Her work has been featured in national magazines such as *Cloth Paper Scissors* and *Studios*.

Not content with the classics, Janet's work beckons to whimsical inspiration garnered from such diverse artists as Hundertwasser and Laszlo Kodaly. She maintains an active online presence with many artists from around the world, and participates in online art workshops to learn new techniques. She has been an art workshop volunteer within the Palmdale community during the past year. She and her husband reside in the Antelope Valley.

CHECK PLEASE and
CHECK PLEASE: TAKE 2

Two short comedies by Jonathan Rand

Saturday, May 16, 7 pm

Dating can be hard, especially when your date happens to be a raging kleptomaniac, your grandmother's bridge partner or a mime. *Check Please* follows a series of blind dinner dates that couldn't get any worse — until they do. Could there possibly be a light at the end of the tunnel?

Soon after their relationship ends, Guy and Girl are forced by their well-intentioned best friends to plunge back into the dating pool. Unfortunately, in *Check Please: Take 2* that pool is filled with foot-reading psychics, extreme accountants and pirates! But are the blind dates really that unbearable? Yes. Yes they are. *Produced by special arrangement with Playscripts, Inc.*

WEST COAST CLASSICAL IS CARNEGIE HALL BOUND!

West Coast Classical auditioned and has been invited to perform in New York City at Carnegie Hall and Central Park in June. We will be bringing our most advanced musicians from the Symphonic and Concert orchestras

Today, we're asking for your help.

Our vision is to raise \$180,000 to ensure our immediate goal of sending our musicians to Carnegie Hall, and to continue our programs for another year. Won't you please consider a tax-deductible donation to West Coast Classical? Visit our website at westcoastclassical.org or contact Program Director Patricia Graham, 805/490-3635, to learn more and pledge your financial support today.

West Coast Classical is a non-profit organization that provides access to the musical arts for community members of all backgrounds and skill levels who seek to achieve excellence in orchestral, ensemble and classroom experiences. Comprised of musicians aged 10 to 70 years, all have a common love for music and a willingness to dedicate every Wednesday evening to rehearsing; some groups also meet on Saturdays. Students make important friendships and discover a passion for music that continues whether or not they pursue a career in music.

PROGRAM DIRECTORS

Patricia Graham has been an active professional musician for 25 years. She has conducted West Coast Classical, formerly Palmdale Concert & Symphonic Orchestras, for 17 years. She has a private studio with 71 students; has played with AV Symphony Orchestra, Bakersfield Symphony Orchestra and Santa Maria Philharmonic Orchestra; played in pit orchestras for 20+ shows; has her own quartet; and has been music director for 50+ musical stage productions.

Jeff Kaser is director of West Coast Classical Wind Ensemble and Flute Choirs, and coaches woodwinds and brass for West Coast Classical Concert and Symphonic orchestras. He teaches music theory and jazz improvisation through West Coast Classical. An active musician in the Los Angeles area, he specializes in saxophone, flute, clarinet and oboe performing in studio sessions, clubs, theatre orchestras, symphony orchestras, private events, and concert venues. He also gives private music instruction for all levels and ages.

Bedbugs

By Leah Genuario

Saturday, June 27, 2 pm & 6 pm

Are wicked witches always bad? That depends on your perspective. Marie is a little girl who likes to jump on her bed, but to the bedbugs being squished underfoot, she is the wicked witch who causes earthquakes, among other natural disasters. The microscopic citizens of her bed are up in arms — and legs! So, the bedbugs launch a full-scale attack against Marie, prompting her to investigate with her magnifying glass. To her surprise, there really are bedbugs...and they have something to say! Crawling with laughs in a fun way, this show will remind you there are always two sides to every story! *Produced by special arrangement with Pioneer Drama Service, Inc., Englewood, Colorado.*

OCCUPATION: MURDER

By Billy St. John

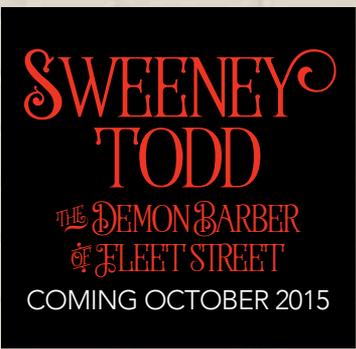

Friday, July 24, 7 pm

Saturday, July 25, 7 pm

Who would suspect that before the live telecast is over for the TV quiz show "It's a Living!" the hardest problem to solve would be who killed Tony Fabrizi, the show's sponsor? And why was he murdered? Was it for the missing diamond bracelet he brought for the commercial, or was he shot for personal reasons? Homicide detective Lt. Jim Slate, along with Amanda Maxwell, a little old lady amateur sleuth, discover that most of the TV show's cast had motives to murder the man — including his Italian wife with a fiery temper. Rounds of the fictional game show are actually played during the performance using members of the audience on stage as contestants! *Produced by special arrangement with Eldridge Plays and Musicals*

COMING DOWN TO THE SQUARE!

Enjoy eight weeks of Summer Fun in Palmdale featuring Lively Music, Enticing Food, Free Kids Activities and an Open-Air Market featuring Specialty Items

THURSDAYS • 5:30-8:30 PM • PONCITLÁN SQUARE

JUNE 25 | THROW BACK THURSDAY

Let's kick it old school and pay tribute to 15 years of TNOTS with these crafts from the past! Kids will get Stuck on the Square creating their own duct tape wallet (from 8/8/04), get into Monkey Business making wild animal tails (from 7/12/07), and get personal with their own Sock It To Me puppet pal (from 7/14/11). Visit Camp TNOTS for all new Washi World crafts. R&B by **Lorena Mackey & the Hi-Lites**.

JULY 2 | HEAVY METAL MADNESS

Go mad on the Square with this metal filled night! Kids will create a ribbon soda can tab bracelet, handmade foil art, and a personalized stamped metal necklace. Enjoy Washi World activities at Camp TNOTS. R&B by **The Ambassadors of Soul**.

JULY 9 | ULTIMATE FAN FRENZY

Who let the fans out! Kids can customize their own #1 sports fan finger, create a sports-inspired light switch cover, and sport a colorful slap bracelet decorated with their favorite sports team logos. Rockin'

Art is back at Camp TNOTS. Join local artists at Legacy Commons for the second year of **ARTown Fusion**, 6-8 pm. R&B by **Bump City**.

JULY 16 | JUST SAY GNOME

Look around the Square and what do you see? Gnomes! Gnomes everywhere! Kids can make their own gnome cone hat and fuzzy white beard. Don't forget to take a leisurely stroll down to the ol' fishing hole to make your fishing pole. Try your hand at Rockin' Art. Swing by **Phat Cat Swinger**.

JULY 23 | HOME ON THE RANGE

Round up the family, we're taking a trip to the good ol' Midwest! Kids can create barnyard animal paint stick pals, bottle cap magnet animals and a felt finger puppet farm animal of their choice. Discover what's new at Washi World. Country by **Runaway**.

JULY 30 | CAPES & CRUSADERS

It's a bird, it's a plane, its capes and crusaders! Kids can make a super power photo frame, a flashlight signal with a superhero emblem, and create and wear a superhero mask. All superhero kids should

suit up in their favorite gear because this night needs saving! Paint Rockin' Art at Camp TNOTS. Journey over to **ARTown Fusion** at Legacy Commons from 6-8 pm. R&B by **Tesserae**.

AUGUST 6 | MOVIES COME TO LIFE

Enter the world of animation as we bring some of your favorite film features to life. Kids can "Let It Go" with frozen flubber, "Everything Is Awesome" with a stenciled brick Lego® jar head, and let their imaginations soar "Up®" with a mixed media balloon art piece. Enjoy Washi World at Camp TNOTS. Country by **Jacob Nelson & The Tone Wranglers**.

AUGUST 13 | GAME BOARD ROUND-UP

Dust off those old doohickies and thingamajigs because retro games are making a comeback! Kids can make a Scrabble® piece magnet, stamp funny faces onto wooden discs to create a memory pocket game, and use retro game board art to decorate their own keepsake box. Camp TNOTS will feature Rockin' Art. Latin Rock by **Boulevard Knights**.

aquatics

Parent/Child (6 Mos.-3 Yrs.)

Parents will receive instruction to help their child become comfortable in the water through song and play. Parents learn how to work with their child to introduce bubble-blowing, assist with arm/leg motion, holds for front and back float, and safety information.

Preschool (3-5 Yrs.)

Children are introduced to the water without a parent. This class teaches your child to become comfortable in the water, learn breath control by blowing bubbles and breath holding, floating, kicking, underwater exploration, and arm and kick movements.

Level 1 Introduction To Water Skills

For children with little or no experience. Participants become familiar with the aquatic environment and learn elementary skills such as blowing bubbles, submersion, assisted floating, gliding, and arm/leg action to build on as they progress through the swim program.

Level 2 Fundamental Aquatic Skills

This class builds on skills learned in Level 1. Must be able to enter the pool unassisted, retrieve an object from below the surface with eyes open, flutter kick, maintain assisted front and rear float, recover to a standing position and exit the pool unassisted.

Level 3 Stroke Development

This class builds on aquatic locomotion, safety, and rescue skills taught in Levels 1 and 2. Must be able to jump from the side of pool unassisted, submerge and retrieve an object from the bottom of the pool with eyes open, float unassisted on stomach and back, tread water, display forward locomotion with alternating arms and rhythmic kick. Taught in water over 4 ft. deep.

Level 4 Stroke Improvement

Class develops confidence and competency in aquatic locomotion, safety and rescue skills, and prepares student swimmers for stroke analysis. Must be able to dive into the pool from a compact or stride position, swim underwater, perform a feet-first surface dive, survival float, perform open turns on both front and back, and show competency in front crawl, breaststroke, butterfly and backstroke. Taught in water over 5 ft. deep.

Level 5 Swimming & Skill Proficiency

This class introduces the butterfly, open turns, feet-first surface dive, pike dive, tuck surface dive, additional turns and endurance swimming. Class coordinates and refines key strokes presented in previous levels and enables students to use them with greater ease, efficiency, power and smoothness over greater distances. Must be able to sidestroke, breaststroke and freestyle.

Level 6-Intro to Lifeguarding (11-13 yrs.)

Participants will learn techniques, build stamina, and learn fundamental lifeguarding knowledge, attitudes, and skills. Participants are not required to master or perfectly execute skills.

Private Lessons (3 yrs.-Adult)

Certified instructors provide 30 minutes of one-on-one instruction geared toward the student's age, ability level and goals.

Recreation Swim Guidelines

- Children under 47" tall must be accompanied on a one-on-one ratio by an adult 18 years or older.
- Swim test is required for anyone not demonstrating an ability to swim safely in deep water.
- Infants/toddlers must wear swim diapers under suits.
- Only Coast Guard approved life jackets are permitted in pools.
- No cut-off jeans or shorts below the knees.
- Masks, fins, and snorkels are not permitted.
- No alcohol or tobacco products permitted within facilities.
- No outside food or beverage (except bottled water) is permitted.

Recreational swim guidelines listed above are from the City's Pool Rules and Regulations. To request a complete set of pool rules, please email aquatics@cityofpalmdale.org.

Adaptive Aquatics

Adaptive Aquatics is designed for children with neurological, developmental, and cognitive challenges, and teaches them independent swimming and water safety. By introducing students to the water gradually in a quiet setting during private lessons, they are better able to focus their attention. Participants, with one-on-one instruction, will be individually assessed for their swimming skills and instructors will create daily lessons to work with each child. Instructor: Staff

Logix smarter banking®

As low as 1.49% APR (Annual Percentage Rate) is our best rate on approved credit and up to 125% financing for a maximum 48-month term, and includes a 1% discount for Automatic Payment (AutoPay). Rate subject to increase if AutoPay is discontinued. Actual interest rate offered may be higher depending on applicant's credit rating and other underwriting factors. Up to 125% financing is available on purchase and no-cash-out refinancing only, is based on creditworthiness, and may not be available to all recipients; other conditions may apply. In some instances Logix may require borrowers to purchase Guaranteed Auto Protection on new and used auto loans; maximum 17.99% APR. Current Logix loans excluded unless borrower takes \$5,000 cash out (must meet loan-to-value requirements) or pay a \$249 fee. Logix finances vehicles purchased through franchised dealerships only (those affiliated with a major brand such as Ford, Chevy or Toyota). Auto loans are available only in AZ, CA, DC, MA, MD, ME, NH, NV and VA. Monthly payments at 1.49% APR for a 48-month term are estimated at \$21.48 per \$1,000 borrowed. Borrowers may elect to defer the first payment due date for up to 90 days from loan funding date, subject to credit approval; interest will accrue during deferral period. Rate accurate as of 2/26/15 and is subject to change. Logix membership and eligibility requirements apply.

Special Olympics
**WORLD
GAMES**
LOS ANGELES 2015

**Host Town
Palmdale**

Help Us Welcome Cyprus & St. Lucia to Palmdale!

The City of Palmdale is honored to be selected as a Host Town for the Special Olympics World Games in Los Angeles, July 25-August 2. The City will be hosting 104 athletes and coaches from Cyprus and St. Lucia, who will call Palmdale 'home' July 21-24. While they're here, they'll be training for the Games, getting used to the time zone, and enjoying our local culture.

How Can You Help?

- **Like us on Facebook at Host Town Palmdale** — we'll be posting details of how you can become involved. Ask your friends, family and co-workers to like us too!
- **Sponsor an athlete.** Your donation will pay for food and lodging while they're training in Palmdale. You can donate through the Host Town Palmdale Facebook page by clicking the "Donate Here" button. Your donation will go directly to Host Town Palmdale, and is tax deductible!
- **Donate supplies.** These could include healthy prepackaged snacks, bottled water, fresh fruit — check our Facebook page for details.
- **Be the fanfare!** We're looking for folks to welcome the athletes and cheer them on at a variety of events, including at their arrival; a Community Kickball Game; Western Line Dancing and Cultural Q&A; a visit to Thursday Night on the Square; and Farewell Celebration. Details will be posted on Facebook, come out to show your support!

Host Town Palmdale is pleased to introduce **Eric Chan**, Special Olympics Global Messenger and Antelope Valley Special Olympics athlete, who will be competing at this summer's World Games in Tennis. Go, Eric!

Tiny Tots Registration Information

Session 1 – Registration begins on Monday, June 15, 7:30 am. You may register at the recreation and culture office or online. Participants may register in an open class at any time during the session; however, fees are not pro-rated. A birth certificate is required at registration. Children must be minimum 3 years old by September 1 to register for Twinkling Stars, or minimum of 4 years old by September 1 for Blazing Comets. Enrollment is limited to 20 per class. Participants may not enroll in more than one class per session.

Look for classes and registration information for Session 2 in the fall magazine.

Tiny Tots

This program offers recreational curriculum. Your child will build social skills and independence while being introduced to the alphabet, numbers, colors and shapes in a developmentally appropriate environment. Children should be fully potty-trained and accustomed to parental separation. During two classes in the session, parents are required to assist, provide a snack and a simple hands-on craft project. Sibling discount available.
