LETTER FROM THE CITY MANAGER

Dear Resident,

Fall is always a beautiful time of year in Palmdale. The summer's heat begins to fade, and comfortable days and cool clear nights are quite enjoyable. As leaves on the trees at Poncitlán Square turn into a beautiful array of colors, it signals to us that the seasons are indeed changing.

Well, the seasons aren't the only things changing this fall in Palmdale. Probably the biggest change is in our General Municipal Election

which will be held Tuesday, November 8. This will mark the first election in Palmdale with districts for City Council seats. You may learn more about this change on page 11 of the Magazine.

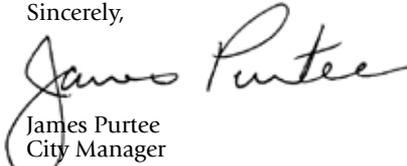

We're also introducing a new special event that I know you'll enjoy. It's called Kaleidoscope and it is a fun-filled music and arts extravaganza for all ages that's coming to the Palmdale Amphitheater on October 8. Details are on page 14.

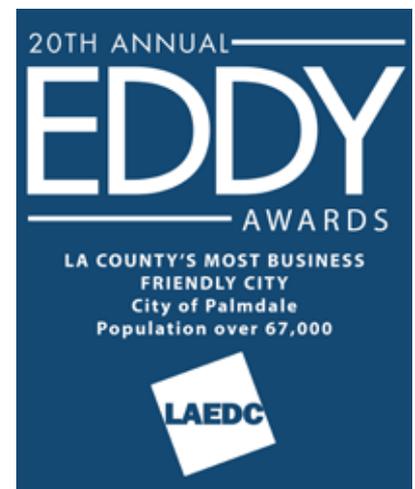

As an animal lover, I am excited to announce Yellen Park is now under construction, which includes the City's first dog park. Changes to City codes are also underway to allow for pet hotels in Palmdale, and the first new Animal Shelter built by the County in 45 years has opened to care for our furry friends. You may even get the opportunity to adopt-a-pet at our City Council meetings!

Finally, changes are happening all around the landscape of Palmdale. Right now, tens of millions of dollars are being invested into our economy with the construction of two new hotels, a Carmax auto showroom and refurbishment center, two charter schools and the Palmdale campus of Antelope Valley College. Several other large projects are in the planning stages and will soon be under construction.

It's going to be a great fall for sure, and I invite you to take advantage of all the programs, classes, events and shopping opportunities Palmdale has to offer.

Sincerely,

James Purtee
City Manager

Shopping Palmdale Makes a Difference!

Sales tax dollars that are generated in Palmdale stay in Palmdale. They are the single largest source of revenue for the City. What that means for residents is that we can adequately fund everything from our sheriff's and fire protection to summer concerts and Family Movie Nights — plus all the other services and programs we enjoy.

Keeping your tax dollars in Palmdale helps local businesses thrive. With increased revenue, businesses grow, expand their services and retain or even grow their workforces. The more jobs

we create here at home will help reduce the number of commuters who have to travel out of the area.

Shopping locally helps create a sense of community well-being. Locally owned and operated businesses help build strong neighborhoods by sustaining communities, linking neighbors and by contributing more to local causes.

So, the next time you need to make a purchase, keep in mind that you can have an impact on the quality of life in the City where you live when you shop locally. Think Palmdale and shop Palmdale!

Rancho Vista Boulevard Overlay

The City of Palmdale has 504 miles of roads, totaling over 91.8 million square feet of asphalt. Regular maintenance of roads is an important part of the City's ongoing Capital Improvement Projects.

One recent road project was the \$1.8 million cape seal program, which took place in several neighborhoods throughout the City. Cape sealing is a pavement preservation method that gives roads an additional 10 to 12 years of life before they will need to be revisited.

The City will soon begin resurfacing Rancho Vista Blvd. from 30th St. West to Ave. N-8. This \$1.5 million road investment will provide an additional 20 years before the area will need to be revisited.

These two projects combined will cover approximately seven percent of the City's total road inventory. More projects will be underway in the future.

YOU'RE INVITED TO ATTEND CITY MEETINGS

Palmdale City Council meetings are held on the first Wednesday of the month beginning at 7 pm.

Palmdale Planning Commission meets on the second Thursday of the month beginning at 7 pm.

The Board of Library Trustees meets on the third Tuesday of each month at 5:30 pm.

These meetings take place at the Council Chamber, 38300 Sierra Highway, Suite B.

Preventing Illegal Dumping

In the final report of a three part series, the City will highlight its efforts in the prevention of illegal dumping.

With grant funding assistance from CalRecycle, the City had a customized app created by the developers of the MyWaste App. The MyWaste App not only helps keep track of street sweeping and trash/recycling collection days, but it also allows you to report illegal dumping and other issues. The app allows users to send photos and the GPS location of dumping sites which helps staff track locations.

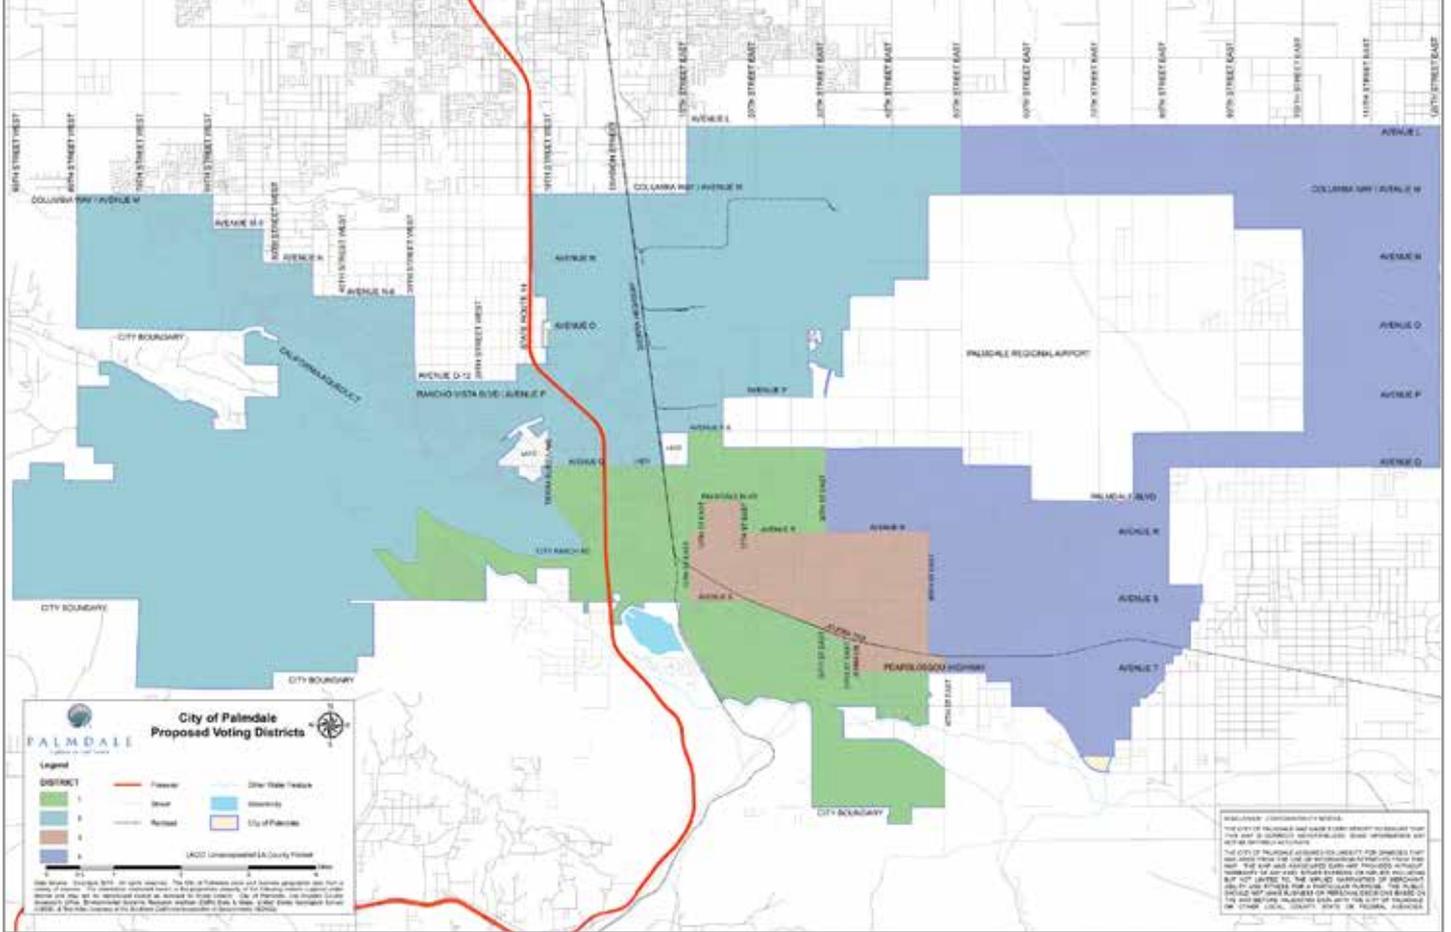

Another way the City is combating illegal dumping is through our voucher program with Waste Management. Each residential customer receives two vouchers per year good for free disposal of up to one ton of solid waste at the Palmdale Landfill. Waste Management also provides bulky item pickup services to all residential accounts, allowing customers to place up to four bulky items curbside for pickup, four times a year, at no cost. The Antelope Valley Environmental Collection Center provides free recycling and disposal of your household hazardous waste and electronic waste on the first and third Saturday of each month from 9 am to 3 pm.

In addition, the City meets quarterly with the Antelope Valley Illegal Dumping Task Force, which includes individuals from the County and surrounding neighborhoods. The Task Force discusses outreach approaches and alternative ways to problem solve this on-going issue. They partnered with Joel Greene on his award-winning television show, *Curiosity Quest Goes Green*, for a special episode on illegal dumping. This video is available at the Palmdale City Library.

Other ways the City works to get the message out about illegal dumping is through press releases, social media, our website, and through informative public service announcements which you may watch on YouTube by searching for "Palmdale Illegal Dumping."

Despite all the time, staff, and financial resources put into preventing illegal dumping, we need your help to put an end to it. All of us have a duty to keep our desert beautiful. After all, it is the place we call home.

Changes in Palmdale's General Municipal Election

When is the City's next election?

The City of Palmdale's next General Municipal Election is Tuesday, November 8, 2016 and will mark the first election under the new Citywide voting districts.

The City's General Municipal Election is held on the first Tuesday following the first Monday in November of even-numbered years.

How are the Mayor and City Councilmembers elected?

The Office of the Mayor of the City is an elective office with a term of two years. The Mayor is elected by a city-wide election.

Starting with the November 8, 2016 General Municipal Election, City Councilmembers will no longer be elected on a city-wide basis. Councilmembers will be elected by four geographic districts. Each resident will vote for one Councilmember to represent their district. Council candidates must reside in the district they are seeking to serve.

For the November 8, 2016 General Municipal Election ONLY, City Council Districts will have staggered terms as indicated on the table below. After the November 8, 2016 election, all Council district seats will have four year terms.

Which Council District do I live in?

On the City's website under Elections and Voting, you may use the interactive district Map found at www.cityofpalmdale.org/Your-City-Hall/City-Elections. Click on the district map, follow the instructions, and enter your residential address to find your Council district number.

If you have questions regarding the election, you may contact the City Clerk's Office at 267-5151 for assistance.

Council District 1 is generally located in the southern portion of the City; Council District 2 is generally located in the western portion of the City; Council District 3 is generally located in the central portion of the City; and District 4 is generally located in the eastern portion of the City. For full details, please refer to the District Map on the City of Palmdale's Elections webpage at www.cityofpalmdale.org.

If no one or only one person is nominated for an elective office, appointment to the elective office may be made as prescribed by §10229, Elections Code of the State of California.

Volunteer Spotlight

“Seek opportunities to show you care. The smallest gestures often make the biggest difference.”

—Coach John Wooden

There is no doubt, Coach Darrell Davis cares. Darrell has been a volunteer coach for the City of Palmdale for the past 25 years! He lends his knowledge and talent to youth participating in the winter and summer basketball programs. While his own children are grown and no longer participate, Darrell has continued to donate time to assist developing athletes. According to Recreation Supervisor Ryan Herman, who oversees sports programs, “Darrell has been a positive role model for children participating in our youth basketball programs for years, teaching them the game, sportsmanship and life skills. We appreciate his dedication and passion for helping the youth in our community!” Thank you Darrell!

Darrell is one example of the many ways residents can engage in their community. For ideas and opportunities, please visit www.cityofpalmdale.org/engaged.

Trainers Needed

A Community in Action! 2016 Season of Service

The 2016 Season of Service completed another successful year with Stamp Out Hunger on May 14.

The Season began on January 16 at the MLK Day of Service: Adopt-a-Block event where residents worked with YouthBuild students to revitalize a focus neighborhood.

The Season continued with a Homeless Services Awareness meeting where service providers and residents learned about the varied programs offered to assist homeless and at risk families and individuals. The annual Los Angeles Homeless Service Authority (LAHSA) Homeless Count brought volunteers together to count the valley's homeless population to assist with funding and services. Spring Cleaning: Airpark Edition prepared Joe Davies Heritage Airpark for another great summer season. South Antelope Valley Emergency Services (SAVES) received a Spring cleaning in March, and the season wound down with the Hammack Neighborhood Adopt-a-Block and Global Youth Service Day in April.

Thank you to the residents who came out to serve their community, donating their time, passion and skills. The 2017 Season of Service dates will be available at www.cityofpalmdale.org/engaged.

For more information please contact Community Programs Coordinator Trish Jones at 267-5473.

Volunteer Coaches Needed!

Do you have some spare time to make a difference in your community? If so, we need you! The City of Palmdale Recreation and Culture Department is seeking volunteer coaches to assist in a wide variety of sports. No experience? No problem! We will provide all materials and training. Our youth sports teams are recreational and committed to developing a strong foundation of skills and sportsmanship in young athletes. You need not have children participating in the program, just have a desire to help and an interest in sharing your skills and knowledge with our community.

Ambassador of Americana Charles Phoenix's laugh-out-loud comedy takes you back in time when Disneyland, the granddaddy of all theme parks, was new. With his keen expertise, eagle eye for oddball detail and joyous enthusiasm, Charles lavishes fun and fact-filled commentary of the very best of his colorful collection of 'found' Kodachrome slides taken in Tomorrowland, Adventureland, Frontierland, Fantasyland and Main Street USA in the '50s and '60s. See long-gone attractions — phantom boats, flying saucers, Indian Village, Rainbow Mountain stage coaches, PeopleMover, Carousel of Progress — and more. Enjoy amazing vintage images of the original Tomorrowland when it was promoted as "The World of 1986." Charles shares the backstory of the Monorail, takes you inside the all-plastic Monsanto House of the Future and the legendary TWA Rocket to the Moon. In addition to the Disney delights, tour Freedomland USA, the ill-fated Disneyland-wannabe theme park in New York City, plus over-the-top Disneyland area themed-motels, and much more!
