# Smoke Alarms Save Lives

Help the American Red Cross and local volunteers install life-saving smoke alarms on November 12. Alarms will be provided and installed free of charge to residents in Palmdale. Breakfast, lunch, a t-shirt, and training are provided **free** for all volunteers.

Saturday, November 12, 2016

8:30am-2:30pm

## Event Information

Base Camp: Red Cross Office, 2715 East Avenue P, 93550

Registration: 8:30am

Volunteer Training: 9:00am

*Installations to follow immediately.*

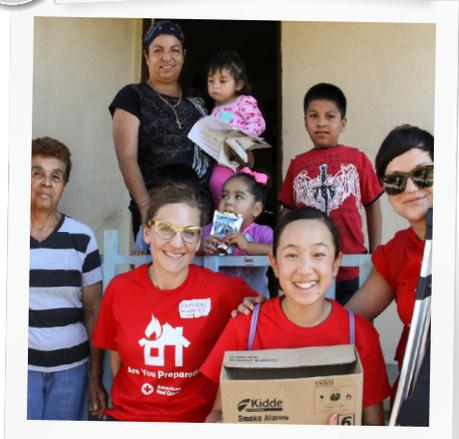

Smoke alarms reduce the risk of dying in a home fire by **nearly half**.

Fire burns quickly. Smoke alarms provide an **early warning** to help you escape a burning house in less than two minutes.

**Register today!**

**Visit at [www.redcross.org/LAHomeFire](http://www.redcross.org/LAHomeFire)**

**We never thought there would be a fire in our house.** I was surprised how fast it happened, and so I would definitely recommend to get [smoke alarms], because instead of just losing some of our belongings, we could have been going to a funeral.
