Palmdale Playhouse Invites Community to Join 20th Anniversary Celebration

PALMDALE – The City of Palmdale and the Palmdale Playhouse is inviting the community to join in on the celebration of the Playhouse’s 20th anniversary this fall.

The Playhouse will host three special evenings on Sept. 11, 12 and 13, and is seeking contact information from people in the community who have been a part of the theatre’s history to be part of the festivities.

“If you have a connection with the Playhouse either as a student of Maryott School or Palmdale Grammar School, fundraising participants of the original construction of the Palmdale Playhouse, former staff members or volunteers, or past and present performers or program participants, we’d love to have you be a part of this exciting celebration,” said Recreation and Culture Supervisor Annie Pagliaro.

“Please call the Palmdale Playhouse at 661/267-5684 and leave us your contact information so we may properly include you on our invitation list,” Pagliaro said.

The Palmdale Playhouse is located at 38334 10th Street East in Palmdale.
