Joe Davies Heritage Airpark at Palmdale Plant 42
Closed Until March 20

for Improvements

PALMDALE – The City of Palmdale’s Joe Davies Heritage Airpark at Palmdale Plant 42 will be closed now through Friday, March 20 for maintenance upgrades.

“We are installing new curbs along the various paths throughout the park,” said Palmdale Recreation Supervisor Randy Autry. “As we begin our park renovations and preparations for our community service day March 15, there will be equipment and materials along the paths and areas with open trenches, so in the best interests of safety, we’re closing the park until the work is complete.”

For additional information on the Joe Davies Heritage Airpark at Palmdale Plant 42, including hours of operation and location, visit www.cityofpalmdale.org/airpark.
