City of Palmdale Seeks Contractor to Oversee Building of Best of the West Snack Bar
PALMDALE – The City of Palmdale is looking for a bonded and licensed contractor with a Type B license to oversee the building of the Best of the West Snack Bar.

“We recently received a generous donation from the Warnack Foundation for the materials necessary to build a new snack bar at the Best of the West Softball Complex at Marie Kerr Park,” said Palmdale Recreation Supervisor Ryan Herman. “So now we’re looking to hire a bonded and licensed contractor to oversee the project.”

The selected contractor will oversee the construction, pull the necessary no fee permit under company license from the City, ensure construction is compliant with provided engineered building specifications, and use skilled volunteer labor to complete the project.

In addition to a Type B license, the contractor must have commercial general liability insurance (\$1,000,000/\$2,000,000) and commercial automobile liability insurance (\$1,000,000).

Compensation and the construction schedule will be determined.

“We’re also looking for volunteer skilled labor to help with concrete, masonry, plumbing electrical and paint,” said Herman.

Interested persons should contact the Palmdale Recreation and Culture Department by email at parksrec@cityofpalmdale.org or by calling 661/267-5611.
