Backdrop Palmdale Heats Up For a Brand New Season

PALMDALE – The new Spring/Summer 2016 edition of the City of Palmdale’s news magazine program, *Backdrop Palmdale*, is now airing on the City’s television station, Channel 27, on the City’s Web site, www.cityofpalmdale.org and YouTube channel, CityofPalmdale.

“The show features a variety of local news stories including what’s going on at the Palmdale City Library, ways to help save money while conserving energy, as well as the latest in economic development around the City,” said Palmdale’s Communications Manager/Public Information Officer John Mlynar.

“We also preview the exciting and family-friendly activities coming up at the Palmdale Amphitheater,” said *Backdrop Palmdale* host Armin Gomez. “It’s just one of the ways we show how easy it is to enjoy a fun and affordable summer without ever leaving Palmdale.”
