City of Palmdale to Host Blood Drive at City Hall on October 28

PALMDALE – The City of Palmdale will host a LifeStream blood drive on Wednesday, Oct. 28, from 9 am to 2 pm at City Hall, 38250 Sierra Highway.

All donors will be automatically entered into a sweepstakes drawing for a family 4-pack of single-day admission tickets to Knott's Scary Farm and points that may be redeemed for items through LifeStream's online donor store at www.LStream.org.

To sign up for the blood drive, please call 1-800-879-4484 or visit www.LStream.org. Walk-ins are welcome but appointments are strongly encouraged. Free cholesterol screening is also available.

Founded in 1951, LifeStream is a not-for-profit organization that collects blood in local Southern California communities and stays strictly in local Southern California hospitals.

"There is a great chance that your blood donations will circle back into the Palmdale/Lancaster area to help someone within our own community, be it a coworker, family member, or neighbor," said Blood Drive Coordinator Kathy Inman.

LifeStream has a history of partnering with many of Palmdale's schools, businesses, organizations and religious institutions.

For more information please call 1-800-879-4484 or visit www.LStream.org.
