### Palmdale City Library to Host Beer Brewing Workshop

PALMDALE – The Palmdale City Library will host a workshop on how to brew beer on Saturday, Oct. 3 from 12 noon to 2 pm at the Library, 700 E. Palmdale Blvd.

This free class is open to anyone interested in home brewing, and one lucky participant will receive a complete brewing kit, which will be raffled off at the event.

The workshop will be hosted by the Brewing Enthusiasts of the Antelope Valley Region (BEAVR). The Brewing Enthusiasts of the Antelope Valley Region club was formed in 2009 as a way to bring together homebrewers in the Antelope Valley region. The club is made up of veterans and beginners and is open to local beer fanatics interested in learning about homebrewing. Feel free to review the forum and join in the conversations. BEAVRs are always willing to lend advice and encourage beginners to get involved with homebrewing.

Registration is not necessary, but space is limited.

“The Library is about providing information of all kinds,” said Library Director Thomas Vose. “We appreciate BEAVR coming out and showing people how to start a new and exciting pastime!”

The Palmdale City Library is open seven days a week. Hours of operation are Monday through Thursday from 10 am to 8 pm; Friday and Saturday from 10 am to 5 pm; and Sunday from 1 to 5 pm.
