Video Game Coding Workshop Begins Tomorrow at the Palmdale City Library

PALMDALE – The Palmdale City Library will host a free two-day coding workshop for elementary age students on Tuesday, June 9 and Wednesday, June 10 from 2 to 5 pm at the Library, 700 E. Palmdale Blvd.

Kids can learn how to write code and even develop their own video game. Because space is limited, this event is first come, first serve.

“There are a lot of young gamers out there, and this might be the start of a great career someday!” said Library Director Thomas Vose.

This program is hosted by Skills USA and Palmdale High School’s FAST Academy.

The Palmdale City Library is open seven days a week. Hours of operation are Monday through Thursday from 10 am to 8 pm; Friday and Saturday from 10 am to 5 pm; and Sunday from 1 to 5 pm.

For more information, please call the Palmdale City Library at 661/267-5600 or TDD 267-5167, or visit [www.cityofpalmdale.org/library](http://www.cityofpalmdale.org/library).
