Community Invited to Attend Civic Center Complete Streets Project Public Meeting

PALMDALE — The City of Palmdale will host a public meeting for the Civic Center Complete Streets Project on Tuesday, May 19 from 10:30 to 11 am at Legacy Commons for Active Seniors, 930 East Ave. Q-9 in Palmdale.

The meeting will provide the opportunity for the public to voice ideas, desires and aspirations for improvements between 9th Street East, Avenue Q-9, 10th Street East, and Avenue Q-12. Called the Civic Center Complete Streets Project, the proposed project is an identified Active Transportation Project (ATP) to provide non-motorized connectivity within the City of Palmdale.

“The public’s input is a valuable part of the planning process and helps ensure that the concerns of our residents are addressed,” said Senior Civil Engineer Lynn Glidden. “It’s also vital to the success of the ATP application and the project’s development.”

For more information, please call the Public Works Department at 661/267-5300.
