Open House This Thursday to Focus on Palmdale to Los Angeles Portion of California High Speed Rail Project

PALMDALE – The California High-Speed Rail Authority (CHSRA) is inviting the public to attend a community open house this Thursday, May 29 from 5 to 8 pm at the Chimbole Cultural Center, 38350 Sierra Highway in Palmdale.

The Open House will give the public the opportunity to hear about alignment alternatives for the 60-mile Palmdale to Los Angeles project section of California's high-speed rail program.

Palmdale Mayor Jim Ledford as well as officials from the CHSRA will be on hand for presentations and to provide information.

The CHSRA has been working with residents, stakeholders and regulatory agencies to refine the alignment alternatives for the project section.

"This is an opportunity to ask questions and provide comments about alignment alternatives that will be studied as part of the Draft Environmental Impact Report/Environmental Impact Statement (EIR/EIS)," said Palmdale's Transportation/GIS Manager Mike Behen.

"Come anytime between 5 and 8 pm," Behen said. "The information shared will be identical at each meeting. There will be also be a presentation at 6:30 p.m."
