### City of Palmdale Invites Public to Workshop for Palmdale High-Speed Rail Station Area Plan Next Tuesday

PALMDALE – The City of Palmdale is cordially inviting the public to participate in an interactive workshop that will help shape the community’s vision for the Palmdale High-Speed Rail Station Area Plan next Tuesday, Nov. 29 from 6:30 to 8:30 pm at the Chimbole Cultural Center, 38350 Sierra Highway in Palmdale.

The workshop will serve as a follow-up to the first public meeting, which was held in April, 2016, and will provide the public with an update on public outreach, transportation, housing, land-use, economic development and station development scenarios.

“We look forward to continuing to work with local partners and stakeholders to implement a station area plan that will promote economic development and sustainability, provide transportation and housing choices and improve the quality of life in Palmdale,” said Transportation/Special Projects Manager Mike Behen. “When complete, a plan will be developed that will serve as a visionary document that will guide the future development of the High-Speed Rail station area.”

The public is also encouraged to participate in an online survey for the project which may be found on the City’s homepage at [www.cityofpalmdale.org](http://www.cityofpalmdale.org), on the link <https://sur-vey.typeform.com/to/PbnroU>.

“It is vital for our residents to provide their input as together we create a vision and plan for the future arrival of a multi-modal train station in the City of Palmdale,” said Mike Behen.

For more information on the Palmdale station, please call or email Mike Behen at 661/267-5337 or [mbehen@cityofpalmdale.org](mailto:mbehen@cityofpalmdale.org) or contact him by mail at the City of Palmdale Department of Public Works, 38250 Sierra Highway, Palmdale, CA 93550.
