Public Invited to Take High Speed Rail Survey

PALMDALE – The City of Palmdale is asking the public to participate in an online survey regarding a future High Speed Rail (HSR) Multi-Modal Train Station proposed for downtown Palmdale.

The online survey may be found on the City's homepage at www.cityofpalmdale.org, or by clicking on the link <https://survey.typeform.com/to/PbnroU>.

“Help us create a vision and plan for the future arrival of a multi-modal train station in the City of Palmdale,” said Palmdale’s Transportation/Special Projects Manager Mike Behen. “It only takes a few minutes of your time, and your input is invaluable as we set the stage for Palmdale’s bright future.”

For more information on the Palmdale station, please call Behen at 661/267-5337 or email mbehen@cityofpalmdale.org.

For more information on the CHSR project, please visit www.hsr.ca.gov.
