Residents Invited to Attend Neighborhood Watch Orientation *Learn About Crime Trends, Disaster Prep and More*

PALMDALE – The City of Palmdale’s neighborhood services department, along with deputies from the Palmdale Sheriff’s Station, will host a Neighborhood Watch Orientation presentation on Monday, July 7 at 7 pm in the City Council Chamber, located at 38300 Sierra Highway, Suite B.

This informative orientation will answer questions about Neighborhood Watch and describe how it works and helps neighborhoods.

“Neighborhood Watch is the best and easiest way to learn about crime trends, disaster preparedness, home security and personal safety issues,” said Palmdale’s Crime Prevention Officer Kery German. “You’ll also see how easy it is form a Neighborhood Watch group and how little time it actually takes.”

In addition to helping to lower crime, the Neighborhood Watch program is very effective in preparing for any type of emergency situation such as an earthquake or wildfire that may arise.

“It’s also one of the best ways to meet your neighbors and start building a sense of community,” said German.

For more information about the meeting or to learn more about Neighborhood Watch, please call Palmdale’s neighborhood services department at 661/267-5170.
