Low Cost Spay, Neuter & Vaccination Clinic Coming to Palmdale City Hall

PALMDALE – The City of Palmdale and the Lucy Pet Foundation are partnering to present a low cost spay, neuter and vaccination clinic on Sunday, Feb. 21 from 10 am to 2 pm at the City's Development Services parking lot, located at 38250 Sierra Hwy., at the corner of Q-11.

Spay and neuter pricing will be \$60 for cats and \$100 for dogs. Low income residents may qualify for a \$50 voucher. The price includes a physical exam by a licensed vet, surgery, pain meds, follow up phone call, and for dogs a rabies vaccination and microchip.

To schedule an appointment for spaying or neutering, please call 1-855-499-LUCY (5829) or email info@lucypetfoundation.org. No appointment is needed for vaccinations.

Palmdale Crime Prevention Officer Kery German encourages all owners to have their pets spayed or neutered. "Our shelters and rescues are overwhelmed with animals that need homes and unfortunately many will never find one," she said.

Some online resources regarding vaccinations, microchips and spaying/neutering that pet owners may find useful include:
