Storm Drain Construction Set to Begin Monday at 35th Street
Between East Avenue Q to Palmdale Blvd.

PALMDALE- The City of Palmdale will begin construction on Monday, May 12 on a storm drain project located along 35th Street East between Ave. Q and Palmdale Blvd.

Detour routes will be posted. Local traffic will be allowed within the detoured area but will not be permitted to access 35th Street East from Avenue Q. Detours will be in effect at various times beginning May 12, 2014, and ending on or about August 2014.

Motorists are encouraged to use alternate routes when traveling through this area. Traffic flow will increase along 30th Street East both North/Southbound directions and also along 40th Street East both North/Southbound directions. Please note that residences, businesses, and schools along 30th Street East, 35th Street East, and 40th Street East will be affected by the detour and the resulting traffic pattern changes.

For any questions with regard to the detour please contact Kevin Kranjack, Superintendent Toro General Engineering at 805/483-3635. For all other project questions please contact Mike Livingston at the City of Palmdale at 661/267-5312.
