A resident of Lancaster, Jimmy Long performs a mix of pop, folk and alternative music; driven by acoustic guitar and clever lyrics. He is currently gigging in Southern California and working on a debut album, tentatively titled - The Knife, The Noose, & Everything After.

Long grew up surrounded by music, church choir and singing songs with family members helped him find his voice early. When he picked up the guitar at the age of 17, it took on a new dimension.
