TED Talks On Tap at the Palmdale City Library

PALMDALE – The Palmdale City Library will present some of the best of the popular TED talks at the Library, 700 E. Palmdale Blvd, on Monday, Nov. 3 from 6 to 7:30 pm.

TED began in 1984 as a conference where Technology, Entertainment and Design (TED) converged, and today covers almost all topics — from science to business to global issues — in more than 100 languages. Meanwhile, independently run TED events help share ideas in communities around the world. TED is a nonprofit devoted to spreading ideas, usually in the form of short, powerful talks (18 minutes or less).

“TED talks are incredible, mind-expanding experiences that present the ideas of some of the world’s greatest thinkers,” said Library Director Thomas Vose. “Hear fascinating ideas on such diverse topics as the elimination of aging, the problems with schools, and learn how the world can become a better place.”

The Palmdale City Library is open seven days a week. Hours of operation are Monday through Thursday from 10 am to 8 pm; Friday and Saturday from 10 am to 5 pm; and Sunday from 1 to 5 pm.
