“ThinkShop” STEM Building Returns to Palmdale City Library

PALMDALE – The Palmdale City Library will host its new STEM (Science, Technology, Engineering and Math) program for kids ages 5 to 10 called “ThinkShop” on Tuesday, Jan. 19 at 5:30 pm at the Library, located at 700 E. Palmdale Blvd.

This fun and free event will encourage kids to solve problems in creative ways in a hands-on environment and design cool objects with ordinary components.

“ThinkShop is an engaging way to get youngsters to think on their own and problem solve in a fun way,” said the program’s coordinator, Janet McLagan.

This program was made possible by a partnership with the AERO Institute.

The Palmdale City Library is open seven days a week. Hours of operation are Monday through Thursday from 10 am to 8 pm; Friday and Saturday from 10 am to 5 pm; and Sunday from 1 to 5 pm.

For more information, please call the Palmdale City Library at 661/267-5600 or TDD 267-5167, or visit www.cityofpalmdale.org/library.
