Build STEM Skills at the Palmdale City Library's ThinkShop

PALMDALE – The Palmdale City Library continues its free STEM (Science, Technology, Engineering and Math) program for kids ages 5 to 11 called “ThinkShop” on Tuesday, Jan. 10 at 5:30 pm at the Library, located at 700 E. Palmdale Blvd.

This fun and free event will encourage kids to solve problems in creative ways in a hands-on environment and design cool objects with ordinary components.

“Come see the mysteries of science and learn about the interesting forces all around you,” said Ricardo Aranda, the program’s coordinator.

This program was made possible by a partnership with the AERO Institute.

The Palmdale City Library is open seven days a week. Hours of operation are Monday through Thursday from 10 am to 8 pm; Friday and Saturday from 10 am to 5 pm; and Sunday from 1 to 5 pm.

For more information, please call the Palmdale City Library at 661/267-5600 or TDD 267-5167, or visit www.cityofpalmdale.org/library.
