### Volunteer Instructors Sought for Gabriel's House

PALMDALE – The City of Palmdale is currently looking for volunteers interested in instructing classes in painting, pottery, piano, other musical instruments or any other art genre that a person may have talent in, at the City's Gabriel's House, located at 38533 4<sup>th</sup> St. East, Palmdale.

"We recently had a pottery master offer to train volunteer instructors to teach pottery for Gabriel's House students," Wheeler said. "A willing and committed heart is all that is necessary to make a positive impact on the lives of our youth."

"We're also looking for volunteers to teach and mentor young people who ordinarily would not have access to these music and art lessons because of the financial constraints of their family," said Palmdale Housing Coordinator Terri-Lei Wheeler. "Gabriel's House can provide space for free and may be able to provide instruments and supplies for free as well. If you have a passion for the arts and a heart for helping young people, this may be a perfect fit!"

Interested candidates may contact the City's Neighborhood Services Department at 661/267-5126 or visit the City's Web site to download a volunteer application. The application is located at <http://www.cityofpalmdale.org/Residents/Neighborhood-Services/Volunteer>.
