and “Kickin’ It with a Cop” Kickball Game Scheduled for May 30

PALMDALE – The City of Palmdale, Antelope Valley (AV) Youth Build and the Palmdale Sheriff’s Station are partnering for the third annual “Safe Neighborhood Walk for Change” and the inaugural “Kickin’ It with a Cop” kickball game on Saturday, May 30, and are seeking community participation and sponsorship.

“We’re asking local organizations, churches, businesses, schools and groups to participate with us to make this an event that brings real positive change to our community,” said AV Youth Build Director Rossie Johnson. “To find out how you can help, please give us a call at 661/266-8900.”

The events, which are free and open to the public, will begin with the kickball game at 9 am at Desert Sand Park, 39117 3rd Street East. The contest will feature students from AV Youth build taking on staff from the Palmdale Sheriff’s department, followed by a group discussion.

Then at 11 am, the “Safe Neighborhood Walk for Change” will take place at The Palmdale Dream Center, 38518 5th Street East, which will include a BBQ lunch, children’s carnival, music, and prize giveaways. There will also be a Support Services Resource Fair at the City of Palmdale’s Yucca Neighborhood House #1, located at 503 E. Ave. Q-3. Local organizations are invited to participate in the Fair.
