City of Palmdale Invites Residents to Participate in Bike Transportation Plan Workshop
PALMDALE – The City of Palmdale is inviting residents to participate in its Palmdale Bicycle Transportation Plan Workshop scheduled for Thursday, Dec. 17 from 6 to 8 pm in the Primrose Room at the Chimbole Cultural Center, located at 38350 Sierra Highway.

As part of its larger Citywide Active Transportation Program Plan, the City is beginning the process of updating its Bicycle Transportation Plan. The workshop is designed for residents to provide ideas, suggestions, needs and concerns related bicycling in Palmdale. The workshop will begin with an overview of the project and will be followed by group exercises and discussions on key issues related to biking.

“Help us improve biking in Palmdale by joining us for a community workshop and sharing your ideas of bicycling transportation with us,” said Palmdale’s Transportation/GIS Manager Mike Behen.

For more information, please contact Mike Behen at 661/267-5337 or mbehen@cityofpalmdale.org
