Robotics Demonstration at the Library

PALMDALE – The Palmdale City Library will host a live robotics demonstration, courtesy of First Lego League (FLL), on Thursday, March 6 from 5 to 7 pm at the Library, located at 700 E. Palmdale Blvd.

“There will be some very cool handmade robots on hand,” said Palmdale Library Director Thomas Vose. “It will be a great opportunity for parents to show their kids how easy it is to get involved in projects such as this.”

The First LEGO League is a robotics program for 9 to 14 year olds which is designed to get children excited about science and technology, and teach them valuable employment and life skills. Teams composed of up to ten children with at least one adult coach may also be associated with a pre-existing club or organization, homeschool, or just be a group of friends. FLL has over 20,000 teams in more than 70 countries.

The Palmdale City Library is open seven days a week. Hours of operation are Monday through Thursday from 10 am to 8 pm; Friday and Saturday from 10 am to 5 pm; and Sunday from 1 to 5 pm.

For more information, please call the Palmdale City Library at 661/267-5600 or TDD 267-5167, or visit www.cityofpalmdale.org/library.
