Free “Security and Safety for Small Businesses” Presentation Offered

PALMDALE – The City of Palmdale’s neighborhood services department in conjunction with the Los Angeles County Sheriff’s Department will hold a free security and safety presentation for business owners and employees on Wednesday, April 23 at 8 am in the City Council Chamber, located at 38300 Sierra Highway, Suite B in Palmdale.

“The topics we will cover include how to address incidents of vandalism and loitering, burglary and robbery prevention, current theft and fraud trends, how to identify counterfeit currency, credit cards and checks, as well as an overview of the Business Watch program which is a free service offered to all businesses in the City of Palmdale,” said Crime Prevention Officer Kery German.

“Business owners and employees are encouraged to attend this free presentation,” said German. “We want to help our local businesses be as profitable and as safe as possible.”

Participants are also encouraged to share their own ideas and concerns on business safety and crime prevention.

“If you are unable to attend this event, we can make a presentation to your business at a location and time that is convenient for you,” German added.
