HOME OCCUPATION PERMIT APPLICATION

MANDATORY CONDITIONS FOR OPERATION

Home occupations may be permitted on property used for residential purposes provided that the use is operated pursuant to the following conditions of operation:

1. The home occupation shall be incidental and secondary to the use of the dwelling for residential purposes.
2. There shall be no customers, clients, or visitors coming to the residence for purposes of the home occupation except for the purpose of individual instruction such as academic tutoring or music lessons.
3. No signs relating to the home occupation shall be allowed.
4. Advertising shall not include the residential address (except as required by state agencies).
5. No one other than a resident of the dwelling shall be employed on the premises in the conduct of a home occupation.
6. Home Occupation Permits are valid only for the person(s) and residence approved by the City and are non-transferable.
7. No dwelling shall be built, altered, furnished, or decorated for the purpose of conducting the home occupation in such a manner as to change the residential character and appearance of the dwelling, or in such a manner as to cause the structure to be recognized as a place where a home occupation is conducted.
8. There shall be no entrance or exit specifically provided or marked on the dwelling or on the premises for the conduct of the home occupation.
9. A home occupation shall be conducted entirely within the dwelling unit and the activities of such home occupation shall not be visible, or otherwise noticeable, outside the dwelling unit structure.
10. There shall be no home occupation activities that are objectionable due to glare, dust, fumes, odor, vibration, noise, or that disturb the peace.
11. No equipment or process shall be used which creates visual or audible electrical or mechanical interference in any radio or television receiver or other device outside the dwelling unit structure, or causes fluctuations in the line voltage outside the dwelling unit structure.
12. The home occupation shall not require any upgraded utility service capacity beyond that which is customary for residential service. Separate utility meters, which serve only the home occupation, shall not be permitted.
13. A garage may be used for home occupation purposes; provided, however, that such use shall not interfere with the maintenance of two parking spaces. No portion of an accessory structure, carport, or similar structure, except a garage, shall be used for home occupation purposes.

14. No mechanical or construction equipment which is not typically found in residential districts shall be stored on the premises. Warehousing of goods, wares or merchandise shall be prohibited.
15. No vehicles or trailers except those normally incidental to a residential use shall be parked so as to be visible from the public right-of-way.
16. The home occupation shall not cause, involve, or result in the use of commercial vehicles for deliveries to or from the premises, excluding a vehicle not to exceed $\frac{3}{4}$ ton capacity which shall be registered to the operator of such home occupation.
17. Use of the United States Postal Service in conjunction with appropriate uses as determined by the Director of Planning, such as mail order businesses, shall be done by means of a post office box.
18. No deliveries may originate from or be made to the premises except during the hours of 9:00 a.m. to 5:00 p.m.
19. The home occupation shall not generate vehicular traffic and/or vehicular parking which degrades or is otherwise detrimental to the residential nature of the neighborhood.
20. If the home occupation is to be conducted in a rental unit, a written statement from the property owner giving his or her permission for operation of the home occupation shall be provided to the City.
21. The home occupation shall not affect nor reduce the parking spaces required by the Zoning Ordinance.
22. Home occupations shall not involve the use and/or on-site storage of chemicals, flammable materials, or other hazardous materials except as may be permitted by the Uniform Fire Code.
23. The operator of a home occupation shall obtain and maintain a current business license from the City.
24. No home occupation shall include the sale or storage of firearms, ordnance, ammunition or other weapons which are regulated by the Bureau of Alcohol, Tobacco and Firearms, at the site of the home occupation.

CONDITIONS FOR MOBILE BUSINESSES

Home Occupation Permits for mobile businesses may be permitted, provided that the mobile business is operated pursuant to the Mandatory Conditions for Operation described above in addition to the following conditions that specifically apply to mobile businesses:

1. The service provided by the mobile business must be in compliance with the zone in which the work is performed.
2. The mobile business must comply with all applicable requirements of any agency with regulatory or permitting authority over the conduct of that business.
3. Any automotive-related services shall be limited to cleaning, detailing, and minor replacement or repair to glass and/or accessory parts; no mobile business operating under a Home Occupation Permit shall be permitted to conduct auto repair, auto body, or engine work.
4. No work shall be conducted in a publicly accessible parking lot; however, work may be conducted in parking lots that are restricted to employees only.
5. No work shall be conducted on City-owned property, including parks, park and ride lots, parking lots, or public rights-of-way.
