DATE: May 2, 2012

SUBJECT: Adoption of Resolution No. SA 2012-007 approving the Amended Recognized Obligation Payment Schedule (ROPS) for the period ending June 30, 2012

ISSUING DEPARTMENT: Economic Development

SUMMARY

Issues:

Should the Successor Agency adopt Resolution No. SA 2012-007, a Resolution of the Successor Agency to the Community Redevelopment Agency of the City of Palmdale Approving Amendments to the ROPS in the Form of the Amended ROPS for the Period Ending June 30, 2012?

Recommendation:

It is recommended that the Successor Agency adopt Resolution No. SA 2012-007, a Resolution of the Successor Agency to the Community Redevelopment Agency of the City of Palmdale Approving Amendments to the ROPS in the Form of the Amended ROPS for the Period Ending June 30, 2012.

Fiscal Impact:

Removal of two Disputed Items at the request of the Department of Finance reduces the total outstanding obligations on the ROPS by \$1,196,217,204, pending efforts to substantiate the validity of the items; and adding detail for the month of January 2012 for all listed enforceable obligations increases the ROPS in the current fiscal year by \$1,492,193.37.

BACKGROUND

Section 34177(l) of Assembly Bill 1X 26 (AB 26) requires the Successor Agency to prepare a Recognized Obligation Payment Schedule (ROPS) listing the enforceable

obligations of the former Redevelopment Agency. Section 34177(l) further requires the ROPS to be (i) reviewed and certified by the Los Angeles County Auditor-Controller (County Auditor-Controller); (ii) submitted to and duly approved by the Oversight Board; (iii) posted on the City's website; and (iv) submitted to the County Auditor-Controller, the State Controller and the State Department of Finance (Department of Finance).

The Successor Agency approved the ROPS for the period ending June 30, 2012 on February 29, 2012 and immediately thereafter posted it on the City's website and provided it to the County Auditor-Controller for their review and certification. The ROPS was presented to and approved without changes by the Oversight Board on April 13, 2012, which was the earliest date a quorum was available.

The Oversight Board approved ROPS was then immediately posted on the City's website and submitted to the County Auditor-Controller, the State Controller and the Department of Finance.

On April 18, 2012 the Department of Finance acknowledged receipt of the Oversight Board approved ROPS and cited its authority under Section 34179(h) allowing it to request a review of Oversight Board actions within three (3) business days and requested a review of one or more enforceable obligations contained in the ROPS without identifying individual items, and further stating that they would contact the Successor Agency within the statutorily required 10 days for further clarification and supporting documentation for the enforceable obligations in question.

On April 23, 2012 the Successor Agency received a letter from the Department of Finance requesting that the ROPS be revised to include detail for the month of January 2012 for all enforceable obligations. In addition, based on their application of the law, they stated that two items do not qualify as enforceable obligations: (a) Page 3, Item 6 a Cooperation Agreement with the City of Palmdale (A-3394) and (b) Page 3, Item 14 a consulting services agreement with Shaw & Associates LLC (A-3611) (together the Disputed Items), with Total Outstanding Obligations of \$1,195,817,204 and \$400,000 respectively. The Department of Finance returned the ROPS for reconsideration pursuant to Section 34179(h) and stated that their action causes the ROPS to be ineffective until their approval.

Successor Agency staff disagrees with the interpretation by the Department of Finance and desires to work cooperatively with them to resolve the Disputed Items. However, in order to not delay receipt of funds from the County Auditor-Controller for other enforceable obligations listed on the ROPS which are not in dispute, which funds are

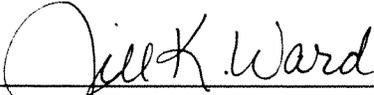

necessary to pay such enforceable obligations, staff recommends that the Successor Agency approve amendments to the ROPS in the form of the Amended ROPS that (i) adds detail for the month of January 2012 and (ii) removes the Disputed Items without prejudice and without forfeiting any rights the Successor Agency has regarding the Disputed Items. Staff will work with the Department of Finance to provide documentation to substantiate the validity of the Disputed Items as enforceable obligations.

The attached Resolution No. SA 2012-007 seeks the Successor Agency's (i) approval of the Amended ROPS, subject to the express reservation of any rights to challenge the effectiveness of the rejection of the Disputed Items by the Department of Finance; and (ii) authorization and direction for the Executive Director to (a) submit the approved Amended ROPS to the Oversight Board for their review and approval; (b) re-submit the Amended ROPS to the Department of Finance and any other entity as necessary and appropriate; (c) work cooperatively with the Department of Finance to resolve the Disputed Items; and (d) take any and all other actions and execute any and all documents as necessary or appropriate to comply with AB 26 and effectuate the intent of the Resolution.

Staff recommends approval of Resolution No. SA 2012-007 attached to this staff report.
