OF THE SUCCESSOR AGENCY TO THE COMMUNITY REDEVELOPMENT
AGENCY OF THE CITY OF PALMDALE

COUNTY OF LOS ANGELES, CALIFORNIA

RESOLUTION NO. OB 2012-017

A RESOLUTION OF THE OVERSIGHT BOARD OF THE SUCCESSOR AGENCY TO THE COMMUNITY REDEVELOPMENT AGENCY OF THE CITY OF PALMDALE APPROVING AND AUTHORIZING THE TRANSMITTAL OF THE LOW AND MODERATE INCOME HOUSING FUND DUE DILIGENCE REVIEW.

WHEREAS, Assembly Bill lx 26 (AB 26) was signed by the Governor on June 28, 2011 and upheld as constitutional by the California Supreme Court. On June 27, 2012 the Governor signed Assembly Bill 1484 (AB 1484). AB 26 and AB1484 (together the Dissolution Bills) made sweeping changes to California Redevelopment Law eliminating redevelopment agencies state wide, establishing successor agencies, and requiring the successor agencies to pay, perform and enforce the enforceable obligations of the former redevelopment agencies and to wind down the affairs of the former redevelopment agencies.

WHEREAS, Health & Safety Code Section 34179.5 (a) in furtherance of subdivision (d) of Section 34177 requires the Successor Agency to employ a licensed accountant, approved by the County Auditor-Controller and with experience and expertise in local government accounting, to conduct a due diligence review for the Low and Moderate Income Housing Fund ("Due Diligence Review") to determine the unobligated balances available for transfer to taxing entities; and

WHEREAS, the Successor Agency, with the approval of the Los Angeles County Auditor-Controller, contracted with Vavrinek, Trine, Day and Co., LLP to perform the Due Diligence Review for the Low and Moderate Income Housing Fund and have completed and issued the review that is attached; and

WHEREAS, Sections 34179.6(a) and 34180(j) also provides that the Due Diligence Review for the Low and Moderate Income Housing Fund shall be submitted by October 1, 2012, to the Los Angeles County Auditor-Controller's Office, the County Administrative Officer, the State Controller's Office, and the State Department of Finance at the same time that it is submitted to the Oversight Board for review; and

WHEREAS, the Oversight Board shall convene a public comment session to take place at least five business days before the Oversight Board holds the approval vote specified in the Section 34179.6(c); and

WHEREAS, Section 24179.6(c) requires that by October 15, 2012 the Oversight Board shall review, approve, and transmit to the Los Angeles County Auditor-Controller,

the State Controller, and the State Department of Finance the determination of the amount of cash and cash equivalents that are available for disbursement to taxing entities as determined by the Low and Moderate Income Housing Fund Due Diligence Review and according to the method provided in Section 34179.5; and

WHEREAS, the Oversight Board must consider the opinions, if any, offered by the County Auditor-Controller on the results of the Due Diligence Review.

WHEREAS, the Oversight Board scheduled a Board Meeting on September 27, 2012, in order to accept the Due Diligence Review and open the Public Comment Session as required but had to continue the item to October 4, 2012 due to a lack of a completed Due Diligence Review; and

WHEREAS, the October 4, 2012 scheduled Oversight Board Meeting was cancelled and rescheduled for October 11, 2012 due to a lack of a completed Due Diligence Review; and

WHEREAS, on October 10, 2012, the Successor Agency submitted the Due Diligence Review for the Low and Moderate Income Housing Fund and a copy of the Recognized Obligation Payment Schedule to the Los Angeles County Auditor-Controller's Office, the County Administrative Officer, the State Controller's Office, and the State Department of Finance; and

WHEREAS, On October 11, 2012, the Oversight Board held a Board Meeting in order to accept the transmittal of the completed Due Diligence Review and conducted the Public Comment Session as required; and

WHEREAS, Section 34179.6(c) empowers the Oversight Board to authorize the Successor Agency to retain assets or funds identified in subparagraphs (B) to (E), inclusive, of paragraph (5) of subdivision(c) of Section 34179.5. If the Oversight Board makes this authorization, the Oversight Board must identify to DOF the amount of funds authorized for retention, the source of those funds, and the purposes for which those funds are being retained; and

WHEREAS, The Oversight Board now desires to approve the Low and Moderate Income Housing Fund Due Diligence Review that is attached to this Resolution and authorize its transmittal; and

WHEREAS, The Oversight Board may direct staff of the Successor Agency to perform work in furtherance of the Oversight Board's duties and responsibilities under the Dissolution Bills.

WHEREAS, All other legal prerequisites to the adoption of this Resolution have occurred.

NOW, THEREFORE, BE IT RESOLVED AS FOLLOWS by the Oversight Board of the Successor Agency to the Community Redevelopment Agency of the City of Palmdale that:

SECTION 1. The Oversight Board hereby finds and determines that the foregoing recitals are true and correct.

AGREED UPON PROCEDURES
PURSUANT TO AB 1484**

Our procedures and findings are as follows:

A. Low and Moderate Income Housing Fund of the Successor Agency

For the Low and Moderate Income Housing Fund, the following procedures were performed:

1. Obtain from the Successor Agency a listing of all assets that were transferred from the former redevelopment agency to the Successor Agency on February 1, 2012. Agree the amounts on this listing to account balances established in the accounting records of the Successor Agency. Identify in the Agreed-Upon Procedures (AUP) report the amount of the assets transferred to the Successor Agency as of that date.

Results:

The Successor Agency provided documentation that prior to February 1, 2012, the Low and Moderate Income Housing Fund consisted of three individual funds: Fund 290 (Housing Development – for the 20% set aside), Fund 464 (Capital Project for low and moderate income housing), and Fund 572 (Debt Service for low and moderate income housing). Per our inquiry, upon dissolution of the redevelopment agency on January 31, 2012, the Low and Moderate Income Housing assets for each of the funds noted were effectively transferred to the Successor Agency of the Community Redevelopment Agency of the City of Palmdale on February 1, 2012 by changing the names of each fund. The Successor Agency asserted that the name changes were: Fund 290 CRA Housing Development was changed to Successor Agency Housing Development, Fund 464 CRA Housing Capital Projects was changed to Successor Agency Housing Capital Projects, and Fund 572 CRA Housing 20% Debt Service was changed to Successor Agency Housing Debt Service.

The Successor Agency noted that due to system limitations the accounting system was unable to update the fund name changes from January 31, 2012 to February 1, 2012. However, it was asserted that the names of the funds in the accounting system would be changed effective for fiscal 2012/2013.

The Successor Agency noted that the Finance Department has the capability of producing a trial balance for the former Redevelopment Agency with a cutoff date of January 31, 2012. In addition it will also be able to provide the activity for the successor agency from February 1st through June 30, 2012. The following is a list of the Redevelopment Fund and Org Numbers tracking the activity in the financial system:

Redevelopment Obligation Retirement Fund 560
Economic Development 4606110
Housing Development 2906400
CRA Capital Project Area I 4616200
CRA Debt Service Project Area I 5616250
CRA Capital Project Area 2A 4626300
CRA Debt Service Project Area 2A 5626350
CRA Housing Authority Debt Service 5716420
CRA Housing Debt Service 5726430
CRA Housing Capital Projects 464

Based upon the above, no dollar amounts were formally “transferred” as a result of the dissolution of the former redevelopment agency into the new successor agency, only a change of name for the applicable funds was initiated.

2. If the State Controller's Office has completed its review of transfers required under both Sections 34167.5 and 34178.8 and issued its report regarding such review, attach a copy of that report as an exhibit to the AUP report. If this has not yet occurred, perform the following procedures.
 - A. Obtain a listing prepared by the Successor Agency of transfers (excluding payments for goods and services) from the former redevelopment agency to the city, county, or city and county that formed the redevelopment agency for the period from January 1, 2011 through January 31, 2012. For each transfer, the Successor Agency should describe the purpose of the transfer and describe in what sense the transfer was required by one of the Agency's enforceable obligations or other legal requirements. Provide this listing as an attachment to the AUP report.

Results:

The transfers are detailed at Exhibit B-1 and B-2

Exhibit B-1

March 10, 2011 – Assignment Agreement transfers assets of the Agency to the City to assist the City in completing Projects and other related activities as set forth in the Cooperation Agreement between the CRA and City. Agency transfers all rights, interests, and obligations relating to the leases, evidences of indebtedness, promissory notes, deeds of trust, assignments of rents and leases, and security agreements held by the Agency. Assets were moved from Fund 290 to Fund 293.

Exhibit B-2

Transferred back to the CRA land held for resale relating to the Transit Village Project - \$2,002,018.35. To reconvey Transit Village assets to CRA; documentation for the basis for the transfer – Resolution CC 2011-075.

- B. Obtain a listing prepared by the Successor Agency of transfers (excluding payments for goods and services) from the Successor Agency to the city, county, or city and county that formed the redevelopment agency for the period from February 1, 2012 through June 30, 2012. For each transfer, the Successor Agency should describe the purpose of the transfer and describe in what sense the transfer was required by one of the Agency's enforceable obligations or other legal requirements. Provide this listing as an attachment to the AUP report.

Results:

The transfers are detailed at Exhibit B-3 and B-4

Exhibit B-3

As the transfer noted in procedure A above was from the former Redevelopment Agency to the City of Palmdale, this transfer moved those assets from the City of Palmdale to the Palmdale Housing Authority. On April 4, 2012, Resolution (CC 2012-039) was approved and adopted by the City Council of the City of Palmdale resulting in actions to transfer certain assets and obligations of the City to the Housing Authority to meet existing obligation associated with housing projects set forth in Cooperation Agreement A-3789. On April 4, 2012, the Housing Authority approved companion Resolution No. HA 2012-004 accepting the transfer of those assets and rights. It is important to note that this was not an actual transfer. Similar to the steps noted in Procedure A, the Successor Agency changed the name of Fund 293 from City Housing Fund to Housing Asset Fund under the Housing Authority.

PURSUANT TO AB 1484**

Exhibit B-4

June 6, 2012 – The Successor Agency approved an action to accomplish the transfer of the Housing functions, assets and obligations to the Housing Authority. (SA 2012-001) Section 13(b) of Resolution No. SA 2012-001 authorizes the transfer to the Housing Authority of other assets, including leases, promissory notes, agreements and other rights to receive payment of funds and/or other consideration associated with the housing functions previously performed by the Agency, including but not limited to the leases, promissory notes and agreements, all cash accounts, records, reports, files, furniture, fixtures, equipment and all other tangible and intangible personal property associated with the housing functions previously performed by the Agency. On that same evening, the Housing Authority approved companion Resolution No. HA 2012-003, accepting the transfer of the housing assets. As with previous transfers, it is important to note that this again was not an actual transfer. Another fund name change was initiated. Fund 290 was changed for a second time from Successor Agency Housing Development to Housing Authority Housing Development. This name change effectively moved all Successor Agency Assets to the Housing Authority.

- C. For each transfer, obtain the legal document that formed the basis for the enforceable obligation that required any transfer. Note in the AUP report the absence of any such legal document or the absence of language in the document that required the transfer.

Results:

The basis for the transfer for each transfer noted at B-1 through B-4 is listed on the respective Exhibit in the column “Source Doc, Basis for Transfer”.

- 3. If the State Controller's Office has completed its review of transfers required under both Sections 34167.5 and 34178.8 and issued its report regarding such review, attach a copy of that report as an exhibit to the AUP report. If this has not yet occurred, perform the following procedures:
 - A. Obtain a listing prepared by the Successor Agency of transfers (excluding payments for goods and services) from the former redevelopment agency to any other public agency or to private parties for the period from January 1, 2011 through January 31, 2012. For each transfer, the Successor Agency should describe the purpose of the transfer and describe in what sense the transfer was required by one of the Agency's enforceable obligations or other legal requirements. Provide this listing as an attachment to the AUP report.
 - B. Obtain a listing prepared by the Successor Agency of transfers (excluding payments for goods and services) from the Successor Agency to any other public agency or private parties for the period from February 1, 2012 through June 30, 2012. For each transfer, the Successor Agency should describe the purpose of the transfer and describe in what sense the transfer was required by one of the Agency's enforceable obligations or other legal requirements. Provide this listing as an attachment to the AUP report.

- C. For each transfer, obtain the legal document that formed the basis for the enforceable obligation that required any transfer. Note in the AUP report the absence of any such legal document or the absence of language in the document that required the transfer.

Results:

See Exhibit B-5 for the transfers which are explained below.

The Successor Agency asserts the noted transfers were made from the former redevelopment agency or the Successor Agency to any other public agency or to private parties for the period from January 1, 2011 through January 31, 2012.

The transfer of assets from the Community Redevelopment Agency to New Beginning Outreach was executed pursuant to Owner Participation Agreement No. A-3428. The transfer of assets from the Community Redevelopment Agency to Paving the Way Foundation was executed pursuant to Owner Participation Agreement No. A-3556. Both Owner Participation Agreements are enforceable obligations that provide for the acquisition and rehabilitation of property for affordable housing purposes.

The transfers of assets from the Community Redevelopment Agency to Palmdale TOD Apartments, L.P. were executed pursuant to a Disposition and Development Agreement (DDA) approved as an enforceable obligation for the construction of affordable housing in the Transit Village project. The Agency and the Developer entered into an Amended and Restated DDA on June 2, 2010, which obligates the Agency to lease property to and make loans to the developer for the purpose of developing 156 rental units for low and moderate income housing known as the Transit Village Apartment Project. The Amended and Restated DDA obligated the Agency to ground lease the property to the Developer and to carry back the prepaid rent as part of a residual receipts acquisition and development loan. The Agency and the Developer had previously entered into a separate DDA on May 31, 2007, as amended on January 14, 2011, which obligates the Agency to convey property to the Developer and establish a revolving loan fund for the purpose of developing owner-occupied workforce and affordable housing known as the Transit Village Townhome Project. The Apartment Project and Townhome Project are collectively referred to as the Transit Village Project, and have been planned together to provide affordable housing for low and moderate income households and market priced workforce housing with shared infrastructure, facilities and amenities.

A Mortgage Assistance Program (MAP) loan to a homeowner was executed pursuant to Loan Agreement No. A-3540. The MAP program encourages a greater degree of owner-occupancy of residences in the City of Palmdale by providing a subsidy to an eligible person or family in the form of a second trust deed loan toward the purchase of a residence within certain areas of Palmdale.

The Successor Agency also asserts no transfers were made from the former redevelopment or the Successor Agency to any other public agency or to private parties for the period February 1, 2012 through June 30, 2012.

4. Perform the following procedures:

- A. Obtain from the Successor Agency a summary of the financial transactions of the Redevelopment Agency and the Successor Agency in the format set forth in the attached schedule for the fiscal periods indicated in the schedule. For purposes of this summary, the financial transactions should be presented using the modified accrual basis of accounting. End of year balances for capital assets (in total) and long-term liabilities (in total) should be presented at the bottom of this summary schedule for information purposes.
- B. Ascertain that for each period presented, the total of revenues, expenditures, and transfers accounts fully for the changes in equity from the previous fiscal period.
- C. Compare amounts in the schedule relevant to the fiscal year ended June 30, 2010 to the State Controller's report filed for the Redevelopment Agency for that period.
- D. Compare amounts in the schedule for the other fiscal periods presented to account balances in the accounting records or other supporting schedules. Describe in the report the type of support provided for each fiscal period.

Results:

Procedure 4 is not applicable to the Low and Moderate Income Housing Fund.

5. Obtain from the Successor Agency a listing of all assets of the Low and Moderate Income Housing Fund as of June 30, 2012 for the report that is due October 1, 2012 and a listing of all assets of all other funds of the Successor Agency as of June 30, 2012 (excluding the previously reported assets of the Low and Moderate Income Housing Fund) for the report that is due December 15, 2012. When this procedure is applied to the Low and Moderate Income Housing Fund, the schedule attached as an exhibit will include only those assets of the Low and Moderate Income Housing Fund that were held by the Successor Agency as of June 30, 2012 and will exclude all assets held by the entity that assumed the housing function previously performed by the former redevelopment agency. Agree the assets so listed to recorded balances reflected in the accounting records of the Successor Agency. The listings should be attached as an exhibit to the appropriate AUP report.

Results:

Per our inquiry with Successor Agency staff, no assets remain in the Low and Moderate Income Housing Fund of the Successor Agency except for \$4,458.83 of cash and investment which are unspent bond proceeds from the Successor Agency Low/Mod Capital Project Fund (Fund 464). As discussed above in Procedure 2 all assets were effectively transferred to the Housing Authority as a result of the name change of the Successor Agency's funds except for the amount discussed above. This amount is \$4,458.83 of unspent, restricted bond proceeds which remains in the Capital Project Fund and is listed on Exhibit B-6.

6. Obtain from the Successor Agency a listing of asset balances held on June 30, 2012 that are restricted for the following purposes:
- A. Unspent bond proceeds:
 - i. Obtain the Successor Agency's computation of the restricted balances (e.g., total proceeds less eligible project expenditures, amounts set aside for debt service payments, etc.).

**PALMDALE REDEVELOPMENT SUCCESSOR AGENCY

AGREED UPON PROCEDURES
PURSUANT TO AB 1484**

- ii. Trace individual components of this computation to related account balances in the accounting records, or to other supporting documentation (specify in the AUP report a description of such documentation).
 - iii. Obtain from the Successor Agency a copy of the legal document that sets forth the restriction pertaining to these balances. Note in the AUP report the absence of language restricting the use of the balances that were identified by the Successor Agency as restricted.
- B. Grant proceeds and program income that are restricted by third parties:
- i. Obtain the Successor Agency's computation of the restricted balances (e.g., total proceeds less eligible project expenditures).
 - ii. Trace individual components of this computation to related account balances in the accounting records, or to other supporting documentation (specify in the AUP report a description of such documentation).
 - iii. Obtain from the Successor Agency a copy of the grant agreement that sets forth the restriction pertaining to these balances. Note in the AUP report the absence of language restricting the use of the balances that were identified by the Successor Agency as restricted.
- C. Other assets considered to be legally restricted:
- i. The Successor Agency's computation of the restricted balances (e.g., total proceeds less eligible project expenditures).
 - ii. Trace individual components of this computation to related account balances in the accounting records, or to other supporting documentation (specify in the AUP report a description of such Obtain documentation).
 - iii. Obtain from the Successor Agency a copy of the legal document that sets forth the restriction pertaining to these balances. Note in the AUP report the absence of language restricting the use of the balances that were identified by Successor the Agency as restricted.
- D. Attach the above mentioned Successor Agency prepared schedule(s) as an exhibit to the AUP report. For each restriction identified on these schedules, indicate in the report the period of time for which the restrictions are in effect. If the restrictions are in effect until the related assets are expended for their intended purpose, this should be indicated in the report.

Results:

Per our inquiry with Successor Agency staff, no assets remain in the Low and Moderate Income Housing Fund of the Successor Agency except for \$4,458.83 of cash and investment which are unspent bond proceeds from the Successor Agency Low/Mod Capital Project Fund (Fund 464). See Exhibit B-7. As discussed above in Procedure 2 all assets, other than the \$4,458.83 in Fund 464, were effectively transferred to the Housing Authority as a result of the name change of the Successor Agency's funds. Supporting documentation for the \$4,458.83 consisted of the following: The Third Supplemental Indenture of Trust relating to the 2005 Tax Allocation Series F Bonds, which are the bonds that the \$4,458.83 in bond proceeds originated from notes in Section 11.08 of the indenture refers to the establishment of the 2005 Low & Moderate Income Housing Fund with bond proceeds and states "The moneys in the 2005 Low & Moderate Income Housing Fund shall be used and withdrawn by the Trustee from time to time to pay for housing activities of the Agency consistent with applicable provisions of the Law."

7. Perform the following procedures:

- A. Obtain from the Successor Agency a listing of assets as of June 30, 2012, that are **not** liquid or otherwise available for distribution (such as capital assets, land held for resale, long-term receivables, etc.) and ascertain if the values are listed at either purchase cost (based on book value reflected in the accounting records of the Successor Agency) or market value as recently estimated by the Successor Agency.
- B. If the assets listed at 7(A) are listed at purchase cost, trace the amounts to a previously audited financial statement (or to the accounting records of the Successor Agency) and note any differences.
- C. For any differences noted in 7(B), inspect evidence of disposal of the asset and ascertain that the proceeds were deposited into the Successor Agency trust fund. If the differences are due to additions (this generally is not expected to occur), inspect the supporting documentation and note the circumstances.
- D. If the assets listed at 7(A) are listed at recently estimated market value, inspect the evidence (if any) supporting the value and note the methodology used. If no evidence is available to support the value and/or methodology, note the lack of evidence.

Results:

Per our inquiry with Successor Agency staff, no assets remain in the Low and Moderate Income Housing Fund of the Successor Agency that are not liquid.

8. Perform the following procedures:

- A. If the Successor Agency believes that asset balances need to be retained to satisfy enforceable obligations, obtain from the Successor Agency an itemized schedule of asset balances (resources) as of June 30, 2012, that are dedicated or restricted for the funding of enforceable obligations and perform the following procedures. The schedule should identify the amount dedicated or restricted, the nature of the dedication or restriction, the specific enforceable obligation to which the dedication or restriction relates, and the language in the legal document that is associated with the enforceable obligation that specifies the dedication of existing asset balances toward payment of that obligation.
 - i. Compare all information on the schedule to the legal documents that form the basis for the dedication or restriction of the resource balance in question.
 - ii. Compare all current balances to the amounts reported in the accounting records of the Successor Agency or to an alternative computation.
 - iii. Compare the specified enforceable obligations to those that were included in the final Recognized Obligation Payment Schedule (ROPS) approved by the California Department of Finance.
 - iv. Attach as an exhibit to the report the listing obtained from the Successor Agency. Identify in the report any listed balances for which the Successor Agency was unable to provide appropriate restricting language in the legal document associated with the enforceable obligation.

- B. If the Successor Agency believes that future revenues together with balances dedicated or restricted to an enforceable obligation are insufficient to fund future obligation payments and thus retention of current balances is required, obtain from the Successor Agency a schedule of approved enforceable obligations that includes a projection of the annual spending requirements to satisfy each obligation and a projection of the annual revenues available to fund those requirements and perform the following procedures:
- i. Compare the enforceable obligations to those that were approved by the California Department of Finance. Procedures to accomplish this may include reviewing the letter from the California Department of Finance approving the Recognized Enforceable Obligation Payment Schedules for the six month period from January 1, 2012 through June 30, 2012 and for the six month period July 1, 2012 through December 31, 2012.
 - ii. Compare the forecasted annual spending requirements to the legal document supporting each enforceable obligation.
 - a. Obtain from the Successor Agency its assumptions relating to the forecasted annual spending requirements and disclose in the report major assumptions associated with the projections.
 - iii. For the forecasted annual revenues:
 - a. Obtain from the Successor Agency its assumptions for the forecasted annual revenues and disclose in the report major assumptions associated with the projections.
- C. If the Successor Agency believes that projected property tax revenues and other general purpose revenues to be received by the Successor Agency are insufficient to pay bond debt service payments (considering both the timing and amount of the related cash flows), obtain from the Successor Agency a schedule demonstrating this insufficiency and apply the following procedures to the information reflected in that schedule.
- i. Compare the timing and amounts of bond debt service payments to the related bond debt service schedules in the bond agreement.
 - ii. Obtain the assumptions for the forecasted property tax revenues and disclose major assumptions associated with the projections.
 - iii. Obtain the assumptions for the forecasted other general purpose revenues and disclose major assumptions associated with the projections.
- D. If procedures A, B, or C were performed, calculate the amount of current unrestricted balances necessary for retention in order to meet the enforceable obligations by performing the following procedures.
- i. Combine the amount of identified current dedicated or restricted balances and the amount of forecasted annual revenues to arrive at the amount of total resources available to fund enforceable obligations.
 - ii. Reduce the amount of total resources available by the amount forecasted for the annual spending requirements. A negative result indicates the amount of current unrestricted balances that needs to be retained.
 - iii. Include the calculation in the AUP report.

Results:

Management of the Successor Agency asserted that no amounts are required to be retained.

9. If the Successor Agency believes that cash balances as of June 30, 2012, need to be retained to satisfy obligations on the ROPS for the period of July 1, 2012 through June 30, 2013, obtain a copy of the final ROPS for the period of July 1, 2012 through December 31, 2012 and a copy of the final ROPS for the period January 1, 2013 through June 30, 2013. For each obligation listed on the ROPS, the Successor Agency should add columns identifying (1) any dollar amounts of existing cash that are needed to satisfy that obligation, and (2) the Successor Agency's explanation as to why the Successor Agency believes that such balances are needed to satisfy the obligation. Include this schedule as an attachment to the AUP report.

Results:

Management of the Successor Agency asserted that no amounts are required to be retained.

10. Include (or present) a schedule detailing the computation of the Balance Available for Allocation to Affected Taxing Entities. Amounts included in the calculation should agree to the results of the procedures performed in each section above. The schedule should also include a deduction to recognize amounts already paid to the County Auditor-Controller on July 12, 2012, as directed by the California Department of Finance. The amount of this deduction presented should be agreed to evidence of payment. The attached example summary schedule may be considered for this purpose. Separate schedules should be completed for the Low and Moderate Income Housing Fund and for all other funds combined (excluding the Low and Moderate Income Housing Fund).

Results:

We have included a schedule detailing the computation of the Balance Available for Allocation to Affected Taxing Entities. See Exhibit B-8.

11. Obtain a representation letter from Successor Agency management acknowledging their responsibility for the data provided to the practitioner and the data presented in the report or in any attachments to the report. Included in the representations should be an acknowledgment that management is not aware of any transfers (as defined by Section 34179.5) from either the former redevelopment agency or the Successor Agency to other parties for the period from January 1, 2011 through June 30, 2012 that have not been properly identified in the AUP report and its related exhibits.

Results:

The Successor Agency provided a management representation letter. No exceptions were noted.
