City of Palmdale Department of Finance staff member Hamed Jones, on behalf of Alternate Official Contact Johnston, presented a background on the ROPS schedule. The Board inquired regarding items in red. Hamed Jones explained that these are Department of Finance disallowed items. Hamed Jones informed the Board that the 1990 and 1992 agreements listed were not allowed. Board Member Walker asked staff to explain the differences between the 1990, 1992, and 1975 agreements in general. Staff responded that the 1992 agreement included an amendment for housing & additional projects.

Chair Childs asked the Board if they had any other questions about continuing items on ROPS. Board Member Walker stated they should focus on the new items and the Board concurred. Hamed Jones started with a detailed description of the ROPS line items.

Hamed Jones spoke regarding Ordinance No. 506 regarding collecting fees for impact fees which has been included in Ordinance No. 506. Board members questioned whether the Department of Finance would disclaim or disallow. City of Palmdale Attorney Ditzhazy spoke to the Board Members and provided them with a definition of impact fees versus regular/general fees for redevelopment projects which are tied into Ordinance No. 506

Hamed Jones continued with his presentation of line items on the ROPS. Board Member Walker stated that he objected to Line 157 since the City did not carry it as a receivable and the City did not attempt to collect, but understands the City's desire to pursue it. Board Member Blalock agreed with Board Member Walker regarding Line 157 and asked if the ROPS could have a footnote that this is unique to the City of Palmdale and include detailed information explaining that this falls outside of the Oversight Board's expertise. Official Contact Miller stated we may be able to add the comment to the ROPS.
