

# BUSINESS WATCH

*Crime Prevention and Safety Techniques for Your Business*

The City of Palmdale's **Business Watch** program will teach you and your employees crime prevention techniques to reduce the opportunity for crime to occur in your business.

*Detection and prevention are critical components for any business's security plan*

Take advantage of our FREE safety and security training:

- Building and store security
- Burglary and robbery prevention
- How to report a crime or suspicious activity
- Handling loitering and vandalism
- Detecting counterfeit currency
- Credit card/check fraud
- Shoplifting prevention
- Employee and customer safety

Contact Crime Prevention Specialist Kery German for more information and to schedule a free training session at 661/267-5541 or [kgerman@cityofpalmdale.org](mailto:kgerman@cityofpalmdale.org)
